

**PROGENY  
OF  
LUCIFER**

## GRACE BE TO YOU, AND PEACE, FROM GOD OUR FATHER, AND FROM THE LORD JESUS CHRIST

Our beloved Christians, we are the Accusers of Lucifer Christian Ministry and we are here to inform you about the infiltration of our Christian church by the progeny of lucifer (children of satan). Through deceit, cunningness, fraud and the human disguise; the progeny of lucifer have infiltrated the Christian church. The infiltration of the church by the progeny of lucifer is not only massive, it is advanced and it is carried out efficiently on a grand scale.

The progeny of lucifer have poured a colorless, tasteless and an odorless poison into the church fountain where the Christians drink from. They have planted land mines in the church field where the Christians walk and they have besieged the church building that houses the Christians. In order to protect the true Christians from harm, the church needs preachers that will painstakingly separate the truth from the lies. There is a need for the birth of true preachers that will painstakingly dismantle the church, remove the falsehood in it and assemble it back up again.

The church needs preachers that will painstakingly dig up each land mine in the church field with their bare hands in order for the true Christians to go unharmed. The church needs preachers that will refresh the contaminated waters in the church fountain and there is a need for the birth of true Christian preachers that can outflank the besiegers of the church.

Our beloved Christians, it was the need for such true preachers that resulted in the conception and birth of the Accusers of Lucifer Christian

Ministry. We now present to you, a Christian message which is probably the most comprehensive in the history of the Christian church; we present to you the “PROGENY OF LUCIFER”.

We strongly believe that the “PROGENY OF LUCIFER” is the message the Christian world has been waiting for. This is probably the first comprehensive message in the history of the church that sweeps all corners clean. Our message can be likened to a balanced diet because it provides Christian advice in a variety of different areas where the children of God need protection.

Prior to our conception, we discovered that almost all the churches in the world do not warn you about and explain in detail, the traps that have been set for you by the enemy. Instead, most churches only preach to you about how you should repent and give your life to Christ. But we know that satan walketh about as a roaring lion, seeking whom he may devour and we also know that he has set traps for you.

The Accusers of Lucifer Christian Ministry will reveal these traps that have been set by satan so that you can go unharmed. In this our message to you, we will reveal the tricks, deception, scams and frauds of the progeny of lucifer. From false preachers to bad peer influence and to the infiltration of the Christian marriage; we will reveal how the progeny of lucifer carry out their deception. God bless you.

## **LUCIFER'S CHILDREN ARE THE SOURCES OF EVIL IN THE WORLD**

Haven't you wondered why people are totally sinful and wicked? Haven't

you wondered why people like genocidal dictators, human slave traders, serial killers, rapists and murderers are evil?

Apart from these, haven't you wondered why most people have no compassion for others? Haven't you wondered why it appears as if you are the only one with compassion for others? Did it ever occur to you that these evil people, those who have no compassion, false preachers and the rest may not have come from God? Did it ever occur to you that even though these evil people have the same human bodies like you and I, their souls may be satanic or they may have totally sold themselves to satan?

If this is your first time of learning about the possibility of the presence of humans with satanic souls in the world, then it means that you haven't taken time out to consider and assess the type of world you have found yourself in. You have not sat down for a moment of sober reflection to ask yourself some of the following questions:

- How come so many people are evil?
- How come Adolf Hitler and the German SS killed thousands?
- How come the people in the "land of the free" displayed a little bit of southern hospitality by padlocking the lips of African men and women at the slave plantations in the United States of America?
- How come the Japanese Imperialists carried out lethal human experimentation at Unit 731?
- How come some Hutus hacked close to 800,000 Tutsis to death in a matter of weeks during the Rwandan genocide?
- How come there are televised beheadings of people?

- How come there are street lynchings involving machetes, petrol and tyres all over the place?
- How come there are wars all over the place?
- How come the world is filled with idol worshipping, evil religions and false Christian preachers?
- How come the world is filled with immoralities, homosexuality, bestiality and the rest?

Our beloved Christian brothers and sisters, the reason why all these evils are in the world is because lucifer (satan) roams the earth through his children. You should realize that God your father as well as satan both have children in the world? We are not the only ones here in this world; satan has billions of people as well.

**WHO ARE THE PROGENY OF LUCIFER? ARE THEY SOME SORT OF DEMONS IN HUMAN FLESH? OR ARE THEY CHILDREN OF GOD LIKE YOU AND I THAT CHOSE TO USE THEIR FREEWILL TO FOLLOW SATAN INSTEAD OF GOD?**

The Accusers of the Progeny of Lucifer Church define the “progeny of lucifer” as any group of people that come into the Christian church in order to fulfill the aim of satan. The people we refer to as the progeny of lucifer can be demon incarnates (people that have demonic souls).

The people we refer to as the progeny of lucifer can also be people like you and I that have God-given human souls but who chose to use their freewill to work for satan. This means that there are two types of “progeny of lucifer”; the ones that are pure breed and wicked demons in human skin and

the ones that are children of God like you and I but who chose to use their freewill to work for satan.

As long as a person comes into the church to fulfill the aim of satan, we will refer to that person as someone from the progeny of lucifer.

## BIBLICAL MENTIONS OF THE PROGENY OF LUCIFER

First of all, the bible has warned us about the entry of evil into the world through the rebellion at the Garden of Eden. The bible tells us that the evil nature of lucifer was acquired by humans at the Garden of Eden and this made humans like you and I capable of committing evil. And if we commit this evil, we become the children of satan (PROGENY OF LUCIFER).

Secondly, other bible verses have implied that demonic beings once existed in the world. For example, the bible mentioned nephilims/giants in Genesis 6:4. Numbers 13:33 states *“and there we saw the giants, the sons of Anak, which come of the giants: and we were in our own sight as grasshoppers, and so we were in their sight”*.

Such bible verses ought to convince you that there is a possibility that some sort of weird/satanic/hybrid beings (PROGENY OF LUCIFER) were in and could be in the world.

Here are some bible verses that prove that there are children of satan (progeny of lucifer) in the world.

- **YE ARE OF YOUR FATHER THE DEVIL (JOHN 8:44)**

44 Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When He speaketh a lie, He speaketh of his own: for He is a liar, and the father of it.

Here, Christ our Messiah referred to some humans as children of the devil who do the will of their father. In this bible verse, Christ may have referred to them as children of the devil because they are devils/demons in human flesh and Christ may also have referred to them as children of the devil because they are humans like you and I that chose to use their freewill to become children of satan.

These people who Christ referred to as children of the devil are the people that we refer to as the PROGENY OF LUCIFER.

- **ANTICHRISTS ARE HERE (1 JOHN 2:18)**

18 Little children, it is the last time: and as ye have heard that antichrist shall come, even now are there many antichrists; whereby we know that it is the last time.

Here, John is telling us that antichrist (people that are against Christ) are already here living amongst us in the world. Please note that the term “antichrist” does not refer to one man alone or one antichrist; anyone that is against Christ and Christians is an antichrist.

These antichrists can be demons in human flesh and they can also be humans like you and I that chose to use their freewill to become antichrists.

These people that John referred to in the bible as antichrists are the people who we refer as the PROGENY OF LUCIFER.

### ONE OF YOU IS A DEVIL (JOHN 6:70)

70 Christ answered them, Have not I chosen you twelve, and one of you is a devil?

Here, Christ our Messiah called one of His disciples a devil. Christ blatantly called him a devil. In this bible verse, Christ may have referred to him as a devil because he was a demon in human flesh and Christ may also have referred to him as a devil because he is a human like you and I but he chose to use his freewill to work for satan.

These people who Christ referred to in the bible as devils are the people that we refer to as the PROGENY OF LUCIFER.

- **PARABLE OF THE WHEAT AND THE TARES (MATTHEW 13: 37-38)**

37 He answered and said unto them, He that soweth the good seed is the Son of man;

38 The field is the world; the good seed are the children of the kingdom; but the tares are the children of the wicked one;

In the bible verses above, Christ told us that there are children of satan in the world and He called these evil children “tares”. Christ may have referred

to them as tares because they are demons in human flesh and Christ may also have referred to them as tares because they are humans like you and I that chose to use their freewill to work for satan.

These people that Christ referred to in the bible as tares are the people who we refer to as the PROGENY OF LUCIFER.

### HOW DO YOU IDENTIFY THE PROGENY OF LUCIFER IN THE WORLD?

Our beloved Christian brothers and sisters, we realize that you now suspect or believe that the progeny of lucifer exist in the world and you will like to know how to protect yourself from them. You may want to know how to identify who is from the progeny of lucifer and who is a true Christian.

In regards to identifying the progeny of lucifer in the society, there is no direct way of identifying the spiritual identity or agenda of a person. Regular Christians like you and I cannot possibly identify who is from the progeny of lucifer simply because we don't have "x ray vision" to help us determine the type of soul or agenda that is inside a person.

Therefore, you should be less concerned about finding out if your next door neighbor is an alien or a demon. Instead, you should try to protect yourself from their attacks. We will do our best to guide you on how to protect yourself from the attacks of the progeny of lucifer.

Perhaps, the most best kept secret in the world is the underground evil world and the human disguise that innocent Christians like you have no idea about.

## SHOULD WE USE THE “FRUITS OF THE SPIRIT” TO HELP US IDENTIFY WHO IS FROM AND WHO IS NOT FROM THE PROGENY OF LUCIFER?

In a situation where the true Christians can rarely identify who is from the progeny of lucifer, some people have stated that we should use the “fruits of the spirit” to help us identify who is a true Christian and who is a child of satan.

The bible states in Galatians 5:22 that the fruits of spirit are love, joy, peace, longsuffering, gentleness, goodness, faith, meekness and temperance. The fruits of the spirit as stated in the bible may easily lead us into believing that whoever shows such fruits is not from the progeny of lucifer but a true Christian.

However, we do not believe that whoever shows some of the fruits of the spirit like love, goodness and gentleness is automatically a true child of God because we know that lucifer and his progeny are con artists and they can easily pretend to have some of the fruits of the spirit just to get close to you.

### **WARNING! A PERSON THAT SHOWS SOME FRUITS OF THE SPIRIT, COULD YET BE A CHILD OF SATAN**

Yes, the bible may have encouraged us into believing that whoever shows some fruits of the spirit could be a true Christian but the bible also warns us in 2 Corinthians 11:14 that lucifer comes as an angel of light.

Therefore, it costs nothing for lucifer and his progeny to pretend and show fruits like love, goodness and gentleness in order to get close to you. Just because a person appears to be cheerful, gentle, soft-spoken and charitable; that doesn't automatically mean that he or she is a child of God.

It is important to note that although the progeny of lucifer may naturally be associated with committing evil atrocities, we strongly believe that the majority of the children of satan in the world are your regular next door neighbors. They live regular lives like you and they may even appear to be liberal, charitable, soft-spoken and politically correct, yet they are children of lucifer.

The moral here is that you should not automatically believe that a person is a child of God just because that person shows fruits of the spirit like love, goodness and gentleness because lucifer will pretend to have some the fruits just to get close to you.

### **PEOPLE THAT CALL THEMSELVES CHRISTIANS AND THOSE THAT ATTEND CHURCH COULD BE THE CHILDREN OF SATAN**

The bible may have implied that whoever confesses Christ as the Son of God is a true Christian but the bible also states that satan will come as an angel of light to deceive. Therefore, all those thousands of people that claim to be Christians, those that fill church auditoriums, those that say “God bless”, those that say “thank God” or those that shout “Jeezus” could yet be the progeny of lucifer because satan is a master fraudster, con man and liar.

The moral here is that you should not automatically believe that a person is a true Christian just because that person goes to church, claims to be Christian, knows some bible verses or preaches; because lucifer will lie and pretend to be a Christian just to get close to you.

## **YOU HAVE A BLINDSPOT AND YOU ARE VULNERABLE TO DECEPTION BECAUSE YOU CANNOT IDENTIFY THE PROGENY OF LUCIFER BUT THEY CAN IDENTIFY YOU**

The progeny of lucifer can perfectly blend into the society without us suspecting that they are the children of satan. On the other hand, the progeny of lucifer can identify who the true Christians are. With that advantage in hand, the progeny of lucifer are empowered and they can easily deceive you. Similar to how you can hurt a blindfolded person in a thousand ways, the progeny of lucifer can deceive you in a thousand ways because you cannot identify them.

With that advantage in hand, the progeny of lucifer can come to the church to preach the false message to you whilst pretending to be true Christians. With that advantage in hand, a person from the progeny of lucifer that you trust can give you bad Christian advice that leads you to sin. With that advantage in hand, the progeny of lucifer can even marry you in order to lead you to sin. Our beloved Christian brothers and sisters, with that advantage in hand, the progeny of lucifer can do all sorts of things to you, simply because you cannot identify them but they can identify you.

## **SINCE YOU LIVE IN THE SAME SOCIETY AS THE CHILDREN OF SATAN, YOU HAVE TO BE CAREFUL**

Since you live in the same society with the children of lucifer, there are certain areas where you have to be careful. Since you live with them, you attend school with them, you sleep in the same dormitories as them, you work in the same offices as them and since you may even marry them unknowingly; you have to be careful.

Your neighbor, best friend, teacher, pastor, wife, husband, sibling and even your parent can be a child of satan, therefore you should be careful.

## FIVE MAIN AREAS WHERE YOU CAN BE ATTACKED BY THE CHILDREN OF SATAN IN THE WORLD

We have identified five main areas where you can be attacked by the progeny of lucifer. However, before we reveal these five main areas to you, we want to narrate the story of how the world was created, the story of lucifer, the story of the first humans and the story of Christ.

### HOW THE WORLD WAS CREATED

In the beginning, God in heaven created the world. He created the planets, animals, plants and He created the first man and woman called Adam and Eve. God placed both Adam and Eve in the Garden of Eden where they lived happily until satan came along.

### WHO IS LUCIFER/SATAN?

Whilst we humans live here in this world, God lives in heaven with His angels. Before this world was created, lucifer was one of the angels of God in heaven. But lucifer became jealous of God and planned to overthrow God. However, lucifer could not stage the coup alone, so he convinced some of the angels of God to join him.

Then there was war in heaven between the angels of lucifer and the remaining holy angels of God. The angels of God were victorious and lucifer with his angels were thrown down from heaven.

## SATAN'S REVENGE PLOT

Since Satan could not get at God directly, he chose to attack Adam and Eve (humans) who are God's children. The revenge plot was to create a rift between God and humans. An enemy of your father will want to create a fight between you and your father so that your family will not be united; similarly Satan wanted to create a fight between God and humans so that humanity will become separated from God. In order to accomplish this, Satan approached the woman (Eve) in the Garden of Eden and told her to rebel against God by eating the fruits from a tree which God had warned Adam and Eve not to eat from.

## THE TREE OF THE KNOWLEDGE OF GOOD AND EVIL

In the Garden of Eden where God placed Adam and Eve to live happily, there were several trees which bore fruits and these trees provided food for Adam and Eve.

Some of the trees that grew in the Garden of Eden are the "tree of life" and the "tree of the knowledge of good and evil".

God instructed Adam and Eve to eat fruits from the tree of life as well as from all the other trees in the Garden of Eden. However, God warned Adam and Eve not to eat from the "tree of the knowledge of good and evil". God warned Adam and Eve that they will die if they eat the fruits from the "tree of the knowledge of good and evil".

As the name suggests, eating from tree of life gave Adam and Eve "life"; the life it gave was immortality. Physical death of humans in the world was not in God's original plan. In God's original plan for humanity, you are supposed

to live forever and ever on earth without dying as long as you ate from the tree of life.

As the name suggests, eating the fruits from the “tree of the knowledge of good and evil” will enable whoever eats from it to know good and evil. At creation, Adam and Eve were like innocent babies that did not know what it meant to be either evil or good.

In order to deceive Adam and Eve, satan approached Eve in Garden of Eden and told her to eat fruits from the “tree of the knowledge of good and evil”. Unfortunately, instead of standing her ground to resist satan, Eve fell for the lie of satan (YE SHALL NOT SURELY DIE:GENESIS 3:4) and she ate fruits from the “tree of the knowledge of good and evil” after which she gave some of the forbidden fruits to Adam and he also ate.

## THE DEATH OF HUMANITY

After Adam and Eve ate from the “tree of the knowledge of good and evil”, their eyes became open to evil; they were no longer like innocent babies, instead they now knew good and evil.

Evils like murder, lies and stealing comes from satan. But at creation, God protected Adam and Eve (humans) from knowing about the existence of such evils. But since the eye opening of Adam and Eve, humans became technically capable of acquiring satan’s evil traits and technically capable of committing evil.

Therefore, Adam and Eve could no longer be allowed to eat from the tree of

life which gave them immortality. Similar to how you will not open your door to an armed robber in the middle of the night, God will not allow rebellious humans who are now capable of committing evil to continue to eat from the tree of life (Genesis 3:22).

Adam and Eve were chased out of the Garden of Eden and prevented from eating from the tree of life and this resulted in humans becoming mortals. Adam and Eve (humans) were now subjected to physical death in this world. Instead of living forever, Adam and Eve now had to grow old and die.

## YOU HAVE AN IMMORTAL SOUL

As a human being that is from God, you have been created in a spirit form and in a physical form. Your body is your physical form and your soul is your spirit form; your body is mortal but your soul is immortal.

## CREATED IN HIS IMAGE AND LIKENESS

Unlike the animals, God created Adam and Eve (humans) in His image and likeness to have dominion over all the animals in the world. It is not your body but your soul that is created in God's image and likeness. Your soul is first born in heaven after which your soul incarnates into the foetus as you are conceived in the womb.

Gods' original intention was that your soul lives forever in your angelic physical body. The physical body we have now is not the same body that Adam and Eve had before they sinned. The human body at creation was a glorious one because it lacked death. The body we have now can be referred to as "dirty" and animalistic. Humans were never supposed to grow old and die a physical death like they do now. But since the sin of Adam and Eve,

your soul now lives in your mortal body until you grow old and die.

## **GOD HAD TO SWITCH TO “PLAN B” FOR HUMANS (NEW WORLD)**

Since the fall of Adam and Eve, humans became separated from God and the earth became filled with too much evil just as it is today. Therefore, God had to switch to “plan B”. Since humans are no longer immortals as He originally intended and since the earth had become corrupted with evil, God created a plan to rescue humanity. God has promised to give humans a fresh start and He will create a brand new world after the end of this evil world. After you leave this current world, you will be kept by God until you and the rest of the saints return gloriously to the new Jerusalem.

## **WHAT HAPPENS WHEN YOU DIE?**

As soon as you die here in this world, your soul leaves your dead body. Your dead body will be buried by your family and although you are dead in this world, you will be alive on the other side in your spirit form. At the path of death, you may be taken to your place of birth in heaven by the angels of God and you will be reunited with the rest of the saints. However, since humans are now technically capable of committing evil, you may not be permitted to return to heaven if you yield to evil in this world. This is because any form of evil and even the tiniest form of evil has no place in heaven.

## **HEAVEN AND HELLFIRE**

The bible states that if you dedicate yourself to righteousness and doing good whilst in this world, your immortal soul will be allowed back into

heaven after your soul leaves your dead body. But if you yield to evil, instead of being welcomed by the holy angels of God, you will be welcomed by the reapers of satan and they will cast you into hell fire.

As the name suggests, hell fire is not like heaven which is a glorious place filled with beautiful mansions that have been built for you by God, instead hellfire can be likened to a continent filled with larva and volcanoes where souls are tormented by the demons of satan. Your immortal soul will be in hell until the day of judgment. On the day of judgment, hellfire itself, the damned souls, the fallen angels, satan and his demons will all be cast into the lake of fire for eternity.

### **NOTHING UNCLEAN CAN ENTER HEAVEN**

After the attempted coup of satan, nothing unclean is allowed into heaven. For example, if you open your door to a homeless man in order to feed him as you should. But once in your house, the homeless man pulls out a weapon and attempts to kill you but you managed to fight back and overpower him.

What will you do the next time a homeless man comes knocking at your door? Will you not try to protect yourself and your family by making sure that any homeless man that wishes to be fed in your house is not armed and dangerous? Will you let that homeless man into your house if he has a dangerous weapon in his pockets? Of course not and similarly, sin will not be allowed into heaven. Like an automated gate, the gate of heaven will not permit anything sinful, evil or unclean to enter.

At birth, God gave you a spotless and white garment and you must ensure you keep that garment spotless, not even the tiniest form of stain will be allowed to enter through the gates of heaven. Therefore we advise you to use your freewill to pursue righteousness and not evil so that you will be welcomed by the angels of God after you die.

## WHO IS CHRIST THE SON OF GOD?

Before this world was created, God lived in heaven with His Son, Christ. After the rebellion of Adam and Eve, humanity did not only die physically, humanity also died spiritually and became spiritually separated from God. However God decided to redeem humanity and He sent His Son (Christ), down to this world in order to make humanity spiritually clean again.

## CHRIST, "THE ONE-MAN RESCUE PARTY"

Yes! God's Son was physically here in this world. Similar to how your soul was first born in heaven after which you incarnate into human flesh as soon as you are conceived in the womb; the Godly spirit of Christ who has been in heaven with God before the world was created also incarnated into human flesh and He was born in Bethlehem.

Christ came to this world to reconcile humanity with God, preach the word of God, create the Christian church, bear witness to the truth and to be the sacrificial lamb that saves humanity.

## CHRIST "THE RECONCILER"

Reconciliation of man with God was made possible through the incarnation of Christ as a human. The incarnation of Christ (God) into a human (a

creature that rebelled and an inferior creature He created) is a proclamation of God's reconciliation with humanity.

## **AN ARRANGED MARRIAGE TO CREATE UNITY**

If two families are engaged in a quarrel, one way of uniting the two families is to arrange a marriage between the two families. For example, a groom from the first family will marry a bride from the second family and by so doing, the bloodlines of the two families will become mixed together and the two families will forever be united. Similarly, Christ is the groom provided by God to come for His bride, the church.

## **CHRIST, "THE PREACHER"**

Christ preached the word of God whilst in the world and He fulfilled His mission to create the Christian church.

## **CHRIST PREACHED ABOUT LOVE AND GENEROSITY**

Christ preached about the need for us to show love and generosity not just towards our close family members but towards everyone. "Thou shalt love thy neighbor as thyself" (Matthew 22:39). Christ also preached about the need for us to love God our Father. "Thou shalt love the Lord thy God with all thy heart, and with all your soul and with all thy mind" (Matthew 22:37).

## **CHRIST PREACHED ABOUT REPENTANCE AND RIGHTEOUSNESS**

Christ preached about the need for repentance. Christ told us to repent from our sins because sin separates us from heaven. "Repent, for the kingdom of heaven is at hand" (Matthew 4:17)

## CHRIST'S WARNING ABOUT SIN AND HELL

Christ warned us about the consequences of sin, Matthew 5:30 states “And if your right hand causes you to sin, cut it off and throw it away. For it is better that you lose one of the parts of your body than for your whole body to go to hell”.

Here Christ wants us to know the severity of hell and what better way to do this than to figuratively say “cut off the hand that makes you sin”? Matthew 10:28 states “And fear not them which kill the body, but are not able to kill the soul: but rather fear him which is able to destroy both soul and body in hell”

## CHRIST TOLD US TO HOLD LOOSELY, THE THINGS OF THIS WORLD

In Matthew 6:19-34, Christ implied that we should not prioritize seeking the things of this world and this means you should not worry about worldly desires like having money, having houses, having cars and the rest. Instead, Christ told us to focus only on working for the church, seeking righteousness and seeking salvation. “But seek ye first the kingdom of God and His righteousness”(Matthew 6:33).

## CHRIST, "THE HEALER"

With His cleansing power, Christ performed miracles and some of these include:

- *Raising a dead man back to life (Luke 7:11-17)*
- *Making the blind to see (Matthew 9: 27-31)*
- *Feeding over five thousand people with only five loaves of bread and two fishes (Matthew 14: 15-21)*
- *Healing of the dumb (Matthew 9: 32-33)*
- *Healing of the deaf (Mark 7:31-37)*
- *Healing of the lepers (Mark 1:40-45)*

## CHRIST, THE SACRIFICIAL LAMB

In the Old Testament, the Israelites who found favor with God were told by God to repent and show remorse for their sins by giving away some of their livestock to the priests of God (Levites) as a form of sacrifice. Similar to how a court judge will order you to pay a fine for an offence you committed, God instructed the Israelites to pay for their sins by offering animals.

An offering in the form of a sheep or cow was enough to pay for the individual sin of a man; but how many cows, sheep or fowls are sufficient to pay for the sin of Adam and Eve? The blood of how many cows, sheep or fowls could have reconciled humanity with God? There are not enough cows in this world to pay for the sin of Adam and Eve, neither are there enough sheep or fowls.

Only the blood of God's Son (Christ) is powerful enough to wash away the sin of Adam and Eve. For humanity to be fully reconciled with heaven, the blood of Christ had to be shed as a form of sacrifice. In order to fulfill His mission of redeeming humanity and in order to fulfill His mission of taking

the power of death from satan in hell, Christ voluntarily offered His flesh to be sacrificed on the cross. His blood that was shed on the cross washed away the sin of Adam and Eve and opened up the gates of heaven to humanity.

After His flesh died on the cross, the bible states that the soul of Christ descend into hell to minister to those that were there and to set the captives free. On the third day after the death of the body of Christ on the cross, He was raised from the dead by God. God has promised us that you and I will also be resurrected into heaven after we die if we believe in Christ.

*“For God so loved the world that He gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life.*

(John 3:16)

**IT IS THE NAME OF CHRIST THAT RAISES YOU UP AFTER YOU DIE**

John 6:38-40 states:

*38. For I came down from heaven not to do mine own will, but the will of him that sent me*

*39. And this is the Father’s will which hath sent me, that all of which he hath given me I should lose nothing, but should raise it up again at the last day.*

*40. And this is the will of him that sent me, that every one which seeth the Son, and believeth on him, may have everlasting life: and I will raise him up at the last day.*

**THE BLOOD OF CHRIST HAS PAID FOR THE SIN OF ADAM AND EVE,  
BUT YOUR INDIVIDUAL SIN SEPARATES YOU FROM GOD**

God's grace has reconciled you with heaven and all you need to be saved is to believe in Christ. Believing in Christ is not just a belief in your heart that Christ died for you; believing in Christ means that we should live like Christ did. Living like Christ did means that we should flee from sin. Christ has stated that your individual sin can make you unfit for heaven, therefore you should use your free will to pursue good and not evil.

## THE TEN COMMANDMENTS GIVEN TO MOSES

In the Old Testament, the Israelites found favour with God. In those days, the Israelites asked their leader (Moses) to give them a set of written guidelines in order for them to be able to avoid sin. God answered and He gave them the Ten Commandments through Moses.

### The Ten Commandments (Exodus 20: 1-17)

- I. *I am the LORD thy God, which have brought thee out of the land of Egypt, out of the house of bondage. Thou shalt have no other gods before me.*
- II. *Thou shalt not make unto thee any graven image, or any likeness of any thing that is in heaven above, or that is in the earth beneath, or that is in the water under the earth.*
- III. *Thou shalt not take the name of the LORD thy God in vain; for the LORD will not hold him guiltless that taketh his name in vain.*
- IV. *Remember the sabbath day, to keep it holy.*

- V. Honour thy father and thy mother:that thy days may be long upon the land which the LORD thy God giveth thee.
- VI. Thou shalt not kill.
- VII. Thou shalt not commit adultery.
- VIII. Thou shalt not steal.
- IX. Thou shalt not bear false witness against thy neighbor
- X. Thou shalt not covet thy neighbour's house, thou shalt not covet thy neighbour's wife, nor his manservant, nor his maidservant, nor his ox, nor his ass, nor any thing that is thy neighbour's.

## SINS AND IMMORALITIES YOU SHOULD AVOID

In the world today, there are sins and immoralities which a Christian should not to partake in. Some of these sins and immoralities include:

- VIOLENCE
- HATE
- ANGER
- FAILURE TO FORGIVE THOSE THAT OFFEND YOU
- ARROGANCE
- JEALOUSY
- GOSSIPING

- INSULTING PEOPLE
- BACKBITING
- ENVY
- COVETOUSNESS
- ADULTERY
- SEXUAL IMMORALITY
- PROFANITY
- DRUG USE
- SUBSTANCE ABUSE
- IMMODESTY
- LOVE OF THE WORLD
- ATTACHMENT TO THE WORLD
- PRACTISING RELIGIONS OTHER THAN CHRISTIANITY
- ATHEISM
- FALSE WITNESSING
- LYING
- CUNNINGNESS
- TELLING SMALL LIES LIKE LYING ON YOUR CV/RESUME
- FRAUD
- STEALING
- BRIBERY
- CORRUPTION
- STEALING LITTLE ITEMS LIKE PENCILS AND SHARPENERS
- BORROWING LITTLE ITEMS PENS AND NOT RETURNING IT TO THE OWNER
- GREED

## THE SIN OF SEXUAL IMMORALITY

Why is sexual immorality a sin? Christ implied in Matthew 5:28 that whoever looks at a person to lust after that person has committed sexual immorality with that person in his or her heart. So why did Christ tell us not to be sexually immoral?

## YOU SIN AGAINST YOUR OWN BODY WITH SEXUAL IMMORALITY

Unlike other sins that are committed outside of your body, you sin against your body with sexual immorality.

1Corinthians 6:18-20 states: *“Flee sexual immorality! Every other sin a person commits is outside the body, but the person who is sexually immoral sins against his own body. Don’t you know that your body is a temple of the Holy Spirit who is in you, whom you have from God? You are not your own. For you were bought at a price. So glorify God with your body.*”

You need to realize that God is older and wiser than you and there is a reason why God warns us that sexual immorality is sinful.

God has provided humans with a safe enclosure from sexual immorality and this safe enclosure is the monogamous marriage which God has blessed. God has permitted you to have one wife or one husband. Therefore you must not leave this safe enclosure which God has given you.

Please note that even though God has permitted you to have a husband or a wife, you should not consider sexual intimacy in marriage as food that is eaten. Neither should you engage in ungodly sexual practices on the marriage bed. Contraception methods like the use of morning after pills and the use of latex a.k.a condoms are also not permitted in the Christian faith.

## TYPES OF SEXUALLY IMMORAL ACTS THAT SHOULD BE AVOIDED

Such immoralities include:

- Having pre marital sexual relations
- Adultery
- Immoral sexual acts with your husband or wife on the marriage bed
- Sexually immoral videos, images, contents and pornography
- Wearing indecent clothes
- Staring at an image or a person in a lustful and immoral way
- Lewd acts

- Using vulgar language
- Lasciviousness
- Homosexuality
- Bestiality
- Incest

## I AM SINGLE, HOW DO I REMOVE MY BURNING?

First of all you need to realize that it may be demons and sirens of sexual immorality that are giving you those sexual desires and they are the ones that are making you burn. You need to realize that satan may have allocated up to ten demons of sexual immorality to seduce you. satan usually uses his children that are in your neighbourhood to seduce you. Some of the people of the opposite sex that you meet in your neighbourhood, including your friends and neighbours are agents of satan and they are the ones that will release the spirit of lust on you so that you can burn and go into sexual immoral acts.

Therefore you can remove those burning sexual desires by realizing that it could be demons that are making you feel that way. Some people have also suggested that you should pray to God to remove your burning; yes this is a possible option but we strongly believe that the best way to remove your sexual burning is to kill the body.

You need to defeat sex by considering sex as an act that is practised by animalistic creatures (humans) that are inferior to angels. Angels do not have sex, therefore consider yourself to be an angel of God who is superior to sex and who only wants to sing hallelujah.

Sex is a physically dirty act that is not necessarily dignified; therefore consider yourself to be an angel that is superior to this dirty act called sex. By so doing you will be killing the human flesh and you will remove those burning sexual desires. Once you are good at doing this, then you will no longer consider the body of the opposite sex as an object that should be consumed and conquered sexually.

The higher you are in Christ, the easier it is to flee sexual immorality.

But if you cannot do this, then better get married and glorify God by showing affection, care and the love of Christ towards your wife or husband. Please note that even though God has permitted you to have a husband or a wife, you should not consider sexual intimacy in marriage as food that is eaten. Neither should you engage in ungodly acts like contraception and ungodly sexual practices on the marriage bed.

## LIVING THE CHRISTIAN LIFE

So you have now found Christ but you will like to know how you should live the Christian life. You may have some of these frequently asked questions:

- How should I relate with rest of the world?

- Should I go to church or worship at home?
- Should I preach the gospel?
- I want to get married, what criteria should I use to select a partner?

In regards to your frequently asked questions, we have the following advice:

## RELIGION (CHRISTIANITY) IS THE ONLY IMPORTANCE IN YOUR LIFE

If you buy today's newspaper, you will discover that there are sections on politics, entertainment, sports and the rest.

But don't be deceived, the world you have found yourself in has nothing to do with things like politics, entertainment and sports. The world you have found yourself is only about religion. The only importance in your life is Christianity.

The world you have found yourself is not about career, money, academics, getting a degree, starting a family, having children, getting married, walking down the aisle, wearing a wedding gown, wearing a graduation gown, patriotism, sports, entertainment, politics and the rest.

The world is only about religion, it's a religious world not a political world. Therefore hold loosely whatever is not eternal and focus only on your salvation.

## LOVE YOUR NEIGHBOUR, BE WISE AS SERPENTS AND BE GENTLE AS DOVES (CHRIST WAS FAIR BUT FIRM)

Love, gentleness, forgiveness, and humility are good Christian values.

However, showing love, forgiveness, and humility doesn't mean that you should not stand your ground when necessary to resist evil because even Christ was fair but firm. Also, satan will attempt to take your gentleness for weakness; satan will tempt you to sin despite you showing love, forgiveness, and humility.

For example, in the Garden of Eden, Eve did not stand her ground enough to immediately resist Satan. Instead she gave satan unnecessary audience, forgiveness, humility and love from her innocent heart. Had Eve blatantly told satan "get thee hence" as Christ did to satan in Matthew 4.10; humanity would not have fallen in the first place.

Although Christ told us to be generous and loving liberals in regards to showing mercy, He also told us to be morally conservative and firm when it comes to issues of morality and holding our ground to resist satan.

Therefore, you should be nice, gentle, loving and generous towards everyone but you also have to be wise as serpents because satan is a liar, con artist and a fraudster.

## **YOU OUGHT TO BE A MODEST AND MORALLY CONSERVATIVE CHRISTIAN**

Modesty implies that you should not allow unnecessary flamboyance and worldliness to lead you into sin. For example, the topic of modest dressing has been debated a lot, hasn't it? On one hand, hyper grace preachers will tell you that it's not your works, your modesty or your outward holiness that saves you.

On the other hand, modesty preachers will tell you that you should not degrade your body (temple of the holy spirit) by wearing ripped jeans, wearing indecent clothes, wearing earrings, tattooing your body, listening to secular music, watching violent films, using profanity, wearing indecent hairstyles, applying makeup and the rest.

So who are we to believe in such a situation? Should we believe the “religious” preachers that preach modesty or should we believe the hyper grace liberals that preach in a fun manner and who tell you that you can party, have fun, pierce your body and tattoo your body because these show the joy of Christ in you?

In such a situation where you have conflicting arguments in regards to an issue like modesty and in a situation where the consequences of sin is damnation for eternity, isn't it better to side with the “religious” preachers?

Isn't it better to be safe than to be sorry? Aren't you aware of the gravity of hellfire and damnation? Will you let unnecessary immodesty lead you to hell? What do you have to lose from practicing modesty? You have absolutely nothing to lose from practicing modesty.

Therefore we advise you to remove those tattoos from your body, take those earrings off, don't pierce yourselves or the ears of your female children, don't use profanity, dress as your gender is supposed to be dressed, dress modestly, the women should not paganize themselves by painting their faces, nails and lips with unnecessary colours and neither should they paganize themselves with immodest braiding and hairstyles.

Christ loves you the way you are and therefore you need not impress anyone through immodesty. The Holy Spirit of God lives in you; don't defile the temple of the Holy Spirit.

We are not implying that dressing modestly will automatically give you salvation. We preach about modesty only because we know that some immoral practices in the world were created by satan and therefore, a child of God should not copy those practices. For example, who standardized the practice of piercing the ears of female babies for the sake of earrings? Was it Christians? Of course not, it was the progeny of lucifer that created it and the Christians ignorantly copied them.

We preach modesty because modesty safeguards you against immoralities which can lead you astray; but if you are the modest and conservative type you will easily be able to discern what is right and what is wrong. If you are the modest and conservative type, no one needs to tell you before you know that certain acts are sinful.

## YOUR ROLE TO PREACH THE GOSPEL

You have a duty to preach. Each Christian, whether male, female, old or young has the duty to preach. We have discovered that some Christians prioritize showing love, gentleness, generosity and humility over preaching the gospel.

Yes, showing love, gentleness, generosity and humility is good; you should not let your love, gentleness; generosity and humility turn you into a recluse that doesn't preach. Your failure to preach the gospel is selfishness, which

is a sin. Having confidence in keeping quiet, not preaching and staying below the radar just because you believe that a Christian should be meek is wrong. What if Paul had chosen not to preach just because Christians ought to be meek? Most of the New Testament would not have been written.

Keeping quiet, not preaching and staying below the radar just because you want to flee from the evil and violent world is wrong, selfish and it is an act of cowardice. What if Paul, the disciples of Christ and other uncelebrated preachers had shied away from preaching in order to flee from the evil and violent pagans? The gospel would not have been spread throughout the world.

Matthew 28: 19-20 states:

19. Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost:

20. Teaching them to observe all things whatsoever I have commanded you: and, lo, I am with you alway, even unto the end of the world. Amen

Therefore you should establish your own Christian ministry. Each Christian is a potential preacher and soldier of Christ.

## THE CHURCH IS YOURS

In academic institution such as a university, you have right to sit down in the class and be taught by the lecturer. However, in Christianity, you have not been born to stroll to church on so called “sundays” to listen to your so called “pastor”. In Christianity, you with the bible in hand are not the student but the potential teacher. You are the potential great preacher that

will write history, the church is yours.

## **BREAKAWAY AND CREATE YOUR OWN MINISTRY**

Similar to how an employee that has served a company for years will break away from that company in order to establish his or her own company, you too ought to create your own ministry. By so doing the gospel will reach a greater amount of people than if you only attended your pastor's church on so called "sundays".

You should take advantage of the internet and you should use it to spread the gospel. Creating your ministry is not as expensive as you may believe. You can start your ministry by preaching free online, creating social media pages, video channels, sharing flyers on the streets and the rest. In addition to preaching about Christ's love and sacrifice for us, the message you preach should also include fleeing from sin, repentance, modesty, holiness, judgment and hellfire.

## **BEWARE OF THE PROGENY OF LUCIFER IN THE WORLD**

It is totally impossible for us to give you advice on how to live a Christian life without informing you about the activities of progeny of lucifer in the world.

We have introduced you to the topic already and we will now reveal the areas where you can be attacked by the progeny of lucifer.

## **FIVE MAIN AREAS WHERE YOU CAN BE ATTACKED BY THE CHILDREN OF SATAN (PROGENY OF LUCIFER) IN THE WORLD**

We have identified five main areas where you can be attacked by the

progeny of lucifer and these are:

1. FALSE CHRISTIAN PREACHERS
2. PEER INFLUENCE
3. BORN INTO A PAGAN, UNCHRISTIAN OR A FALSE CHRISTIAN FAMILY
4. MARRIAGE
5. PHYSICAL HARASSMENT AND DISCRIMINATION

We will cover each of these areas beginning with false Christian preachers.

## FIVE AREAS WHERE YOU CAN BE ATTACKED BY THE CHILDREN OF SATAN (1. FALSE CHRISTIAN PREACHERS)

# FALSE CHRISTIAN PREACHERS

All false preachers are the progeny of lucifer and they have been sent into the church by satan to deceive. There are several types of false preachers in the church nowadays and they use a series of tricks and tactics to deceive unsuspecting Christians.

We have identified some of the deceptive tactics used by false preachers and they are listed below.

- PROSPERITY PREACHERS

The true message which Christ ordained is the message of holding loosely the things of this world whilst striving to achieve salvation. In the book of Matthew 6: 19-34, Christ implied that we should not prioritize seeking the things of this world and this means that you should not worry about worldly desires like having money, having houses, having cars and the rest. Instead, Christ told us to focus only on working for the church, seeking righteousness and seeking salvation. However, instead of preaching such a message, day in, day out; prosperity preachers preach about how God can make you rich. They preach about how God can give you a car, a job or a promotion. They preach prosperity so that you may fall into covetousness, immodesty, greed and sin. Although the prosperity message is found everywhere in the world, it is mainly found in so called developing countries.

- **HYPERGRACE AND HYPERGENTLE PREACHERS THAT UNDEREMPHASIZE THE CONSEQUENCES OF SIN**

Hypergrace preachers deceive you into believing that Christ's sacrifice on the cross has assured you heaven irrespective of whether you live a sinful life or not.

Please note that the purpose of Christ's sacrifice on the cross was not to assure you and I of heaven, but to give us a chance of heaven and to spiritually reunite humanity with God. Yes, God gave us His only Son, so that we may not perish as long as we believe in Him (John 3:16), but you and I should demonstrate our belief in Him by living a righteous life. Please note that failure to live a righteous life can make you a candidate of hell despite Christ's sacrifice on the cross.

However, hypergrace preachers will lie to you that your past, present and

future sins have been washed away with Christ's sacrifice on the cross. They do this so that you can keep on carrying your sins towards the gates of hell whilst wrongly believing that you are guaranteed salvation. Hypergrace preachers also preach in a hypergentle tone that is so gentle that it can be likened to a romantic tone. They do this in order to promote the idea of grace and under emphasize the consequences of sin which is hellfire. Although hypergrace preachers are found everywhere in the world, they are mainly found in so called developed countries. Hypergrace preachers sell more there because they already have a rich economy.

- **FALSE PREACHERS THAT DECEIVE YOU INTO COPYING SINFUL ACTS**

Here, the false preachers deceive you into copying sinful acts. For example, a false pastor may display a sinful act so that you too can copy that sinful act. An example of such deception occurs with immodesty. For example, a false pastor may tattoo his body and even use profane words just to deceive you into believing that it is okay for a Christian to have tattoos and use profanity.

Also, false female pastors may put on immodest items like revealing dresses, immodest make up, lipsticks, earrings and the rest in order to deceive the Christian women into believing that there's absolutely nothing wrong with being immodest. This type of deception can also be used by those that are not preachers; for example your friend, work mate or even your family member who goes to church and who claims to be Christian can also use this trick to deceive you.

Therefore don't copy anyone's sinful act even if that person is preaching about Christ, repentance and hell. Don't fall for this "monkey see" "monkey do" scam.

- **FALSE PREACHERS THAT THROW IN THE TRUTH ONCE IN A WHILE**

Here, the false preachers preach the false message during the majority of the time, but in order to make you believe they are true, they throw in the true gospel once in a while. For example, more and more of those prosperity churches have started to feel the heat of true preachers, so they have started to throw in passing comments about fleeing from sin, hell and judgment in their sermons once in a while in order to gain your trust.

- **FALSE PREACHERS THAT MENTION "HELL" IN ORDER TO GAIN YOUR TRUST**

In the past, a false preacher could easily convince everyone that he or she is a true preacher solely by confessing to be a Christian. But the people became wiser and they discovered that a person can confess to be a Christian but yet be false; so the false preachers stepped up their deception. Now false preachers even go to the extent of preaching about hell because they know that the people will believe a man that preaches about hellfire.

Please note that a person can preach about hell on a busy street but still be a false preacher. Such preachers may even carry a "don't go to hell" placard in the street but yet they are the progeny of lucifer. These set of false preachers use the "hell card" to deceive. They gain your trust by mentioning

“hell” only for them to deceive you later on.

The same goes for those that claim to have had supernatural revelations of hell. For example, we have discovered a person who claims to have had supernatural revelations of hell; but this same woman who claims to have had supernatural revelations of hell was covered with immodesty. Such false preachers know that you may trust someone who claims to have been to hell and back. Having gained your trust with the “hell card” they will then display sinful acts like immodesty and the rest so that you too can copy them.

The point here is that you should not automatically believe anyone to be true just because they mention hell; for satan will mention “hell” just to gain your trust.

- **FALSE PREACHERS THAT WARN YOU ABOUT THE EXISTENCE OF THE PROGENY OF LUCIFER IN ORDER TO GAIN YOUR TRUST**

The days where the people will believe that a false preacher is true solely because he or she mentions “hell” are passing away. More and more people are now getting wiser, so the false preachers have stepped up their deception again. Now, false preachers go as far as preaching about the existence of the progeny of lucifer in the world in order to gain your trust. These sets of false preachers are imitations and fake versions of preachers like us.

In this method of deception, the false preachers warn you to beware of wolves in sheep clothing (progeny of lucifer) but yet they are wolves

themselves. In this method of deception, the demons in human flesh approach you and warn you to beware of other demons in human flesh but yet they are demons in human flesh themselves.

Therefore you should realize that “anyone can yet be anyone”. The progeny of lucifer know that you may trust them once they preach to you about the existence of the progeny of lucifer in the world. Having gained your trust, they will then deceive you later on.

The point here is that you should not automatically believe that a preacher is true just because they preach about the existence of the progeny of lucifer, antichrists and the rest, for satan can preach in such a manner in order to gain your trust.

- **FALSE PREACHERS THAT PREACH MODESTY IN ORDER TO GAIN YOUR TRUST**

Here, the false preachers present themselves as angels of light by preaching modesty and by dressing modestly. Such false preachers want to gain your trust with modesty so that they can deceive you later on.

Such false preachers will preach modesty but they will either give you misleading information or they will not fully preach the truth to you in a manner that will make you to depart from the path that leads to hell.

Therefore do not automatically believe that a woman is a true Christian solely because she wears a long and modest skirt with a head scarf and do

not automatically believe that a woman is a true Christian solely because she doesn't use earrings or makeup.

Similarly, you should not automatically believe that a man is a true Christian solely because he attends a so called modesty church and appears modest for it costs satan nothing to dress modest in order to gain your trust.

Neither should you automatically rush into marriage with a person that practises modesty for you could be getting married to a child of satan perfectly disguised as a modest Christian.

- **THE ESTABLISHMENT OF SEVERAL CHRISTIAN CHURCHES, BRANCHES AND CHURCH LOCATIONS IN ORDER TO COLONIZE, HAVE TOTAL COVERAGE AND IN ORDER TO DISCOURAGE YOUNG CHRISTIANS FROM ESTABLISHING THEIR OWN MINISTRY**

What the progeny of lucifer have done here is to create so many false churches, church branches and thousands of church locations so that they can have total coverage and dampen down the efforts of the few true preachers. This sort of deception discourages true Christians like you from preaching because you may believe that it is unnecessary for you to create your own Christian ministry since there are thousands and more than enough churches in your location already.

If you walk down a major street in some parts of the world, you will discover that there are several churches on that street alone. However, on getting to

these churches, you will discover that they are mostly prosperity churches. They have created lots of churches in order to have total coverage and in order to discourage the unaware child of God from establishing his or her own ministry.

Therefore, don't be discouraged from establishing your own Christian ministry just because there are plenty of churches already. As we have stated earlier, in academic institution such as a university, you have right to sit down in the class and be taught by the lecturer. However, in Christianity, you have not been born to stroll to church on so called "sundays" to listen to a your so called "pastor". In Christianity, you with the bible in hand are not the student but the potential teacher. You are the potential great preacher that will write history, the church is yours; take the church back from the progeny of lucifer.

- **FALSE PREACHERS THAT MIX THE LIE WITH THE TRUTH IN VARYING PROPORTIONS**

Here, the false preachers mix up the truth with the lie. They will preach one third of the truth to you in the first week; then they will preach two thirds of the lie to you in the second week; then they will preach one quarter of the half truth to you in the third week and then they will preach half of the lie to you in the fourth week.

Such false preachers do this so that you will not know what is right and what is wrong.

- **FALSE PREACHERS THAT MISINTERPRET THE BIBLE AND GIVE BLATANT WRONG ADVICE**

Here, false preachers deliberately misinterpret the bible in order to deceive you. For example some false preachers deliberately misinterpret John 3.16 which states: *“For God so loved the world that He gave his only begotten Son, that whosoever BELIEVETH in him should not perish, but have everlasting life.* As we have stated earlier, “BELIEVETH” means not only a belief in your heart that Christ died for you, but it also means that you should live like Christ and flee from sin. But false preachers will deliberately imply that as soon as you recite the words “**I BELIEVE IN CHRIST**” you are guaranteed salvation and they will not tell you about the part where you have to flee sin in order to prove that belief in Christ. Such false preachers also blatantly lie to you in regards to what is sinful and what is not.

- **FALSE CHRISTIAN FILMS, FALSE CHRISTIAN TV SHOWS, FALSE CHRISTIAN DOCUMENTARIES, FALSE CHRISTIAN RADIO SHOWS AND FALSE CHRISTIAN BOOKS**

Here, the progeny of lucifer can use any of the deceptive tactics we have listed; the only difference is that such deception is being carried out through film, radio, TV shows, documentaries and books. False Christian film producers and publishers can create misleading scripts, story lines, scenes, videos and misrepresentations of the truth in order to deceive you. For example, we have discovered false Christian films and TV shows that portrayed immodesty and sexual immorality as un sinful.

We have also discovered false Christian movies that misrepresented the

true facts of the bible in order to deceive you. The progeny of lucifer can also mislead you by publishing misleading Christian/motivational books.

- **FALSE CHRISTIAN MUSICIANS**

False Christian musicians are in the world and they can attempt to deceive you by using any of the deceptive tactics we have listed here.

They can add misleading lyrics or video scenes to their songs in order to deceive you. For example we have discovered false Christian music videos that portrayed immodesty and sexual immorality as un sinful in order to lure you into copying such sinful acts.

Even if you shed tears, get motivated, uplifted, joyous and inspired when you listen to certain Christian songs, you should still not automatically believe that the singers are true Christians for satan is a master of the art of developing sweet melodies that can make you shed tears. The sad truth is that a considerable amount of the Christian songs that get you uplifted are written and sung by musicians that are in the occult and secret societies.

- **SECULAR PERSONALITIES AND COMMENTATORS THAT MENTION GOD'S NAME**

“Praise the Lord”, “God bless”, “thank God”, “jeezus” and “hallelujah” are words that should proceed from the mouths of true Christians only. But in order to deceive you, the progeny of lucifer, secular personalities, secular singers, actors, celebrities and secular commentators that are immoral will also speak such Christian words like “praise the Lord”, “God bless”, “thank God”, “jeezus” and “hallelujah” so that you can be deceived into believing

that you too can be immodest and immoral like them but yet be a Christian.

For example, we have discovered that some so called “hip hop rappers”, immoral rock singers and immoral actors are mentioning “jeezus” and even “hallelujah in their songs and music videos. Why will these “rappers”, actors and rock singers that portray violence, perversion and sexual immorality mention God’s name? They do this in order to deceive you into believing that it is perfectly okay for you to be immoral and sinful like them as long as you’ve got “JESUS”.

- **FALSE CHRISTIAN BLOGGERS AND ONLINE COMMENTATORS**

False Christian bloggers and commentators are one of the most wicked types of false preachers because such do not need to reveal their identity and they can remain anonymous online. Anyone who is an antichrist can simply come online to drop a misleading comment in a Christian blog.

False Christian bloggers are one of the most dangerous type of false preachers because in some cases, if Christians have questions about the faith, they may go online to try their luck and “google it”.

Even though you could find true answers from preachers like us through google, we strongly believe that if you go online, there is a high possibility that you will receive bad advice from antichrists that want to deceive you.

False Christian bloggers can use any of the deceptive tactics we have listed and they will also try to discredit true preachers on Christian blogs.

If you go online to preach the truth, there is a high possibility that you will be out numbered, discredited and “slaughtered” by the progeny of lucifer

that cowardly hide behind their anonymous profiles; but do not let this stop you from preaching. Even if it seems as if no one likes your message or if no one is replying to your message; you have the right to do your part by preaching. Whether they like your post or not, you just keep preaching, they didn't like the disciples of Christ so they will not like you also.

- **FALSE PREACHERS THAT EXPOSE OTHER FALSE PREACHERS IN ORDER TO GAIN YOUR TRUST**

Here, the trick involves exposing other false preachers in order to gain your trust, only for them to mislead you. For example we have discovered some so called preachers who claim to reveal and expose false preachers but yet they are antichrists themselves. They have done this in order to gain your trust only or them to subtly deceive you later on with any of the deceptive tactics we have listed. If you go to video channels like YouTube, you will find a lot of so called preachers that claim to expose false preachers and they may even give you a list of the world's top ten false pastors but yet they are antichrists themselves.

Note that even if the preachers they are exposing are false, that doesn't automatically mean that the exposers are true.

You need not reveal names to preach the truth. For example, have we mentioned the name of any false preacher or church so far in our message? We have not, because you need not reveal names to preach the truth.

- **MISLEADING CHRISTIAN ADVICE FROM FAMILY AND FRIENDS**

A family member or "friend" of yours can yet be an antichrist and he or she

may mislead you whilst posing as a Christian. Such deception is very dangerous because you are being deceived by family and friends that you trust. Due to the trust, you are more likely to believe their misleading advice. Even those that are your family as well as those that are your close friends can mislead you with any of the deceptive tactics that we have listed.

- **FALSE PREACHERS THAT USE FALSE CHRISTIANS IN THE CONGREGATION AS BAIT TO ATTRACT YOU TO THEIR FALSE CHURCH OR MESSAGE**

Here, the deception is similar to the deception used by street con-artists that lure unsuspecting victims into playing the “three card game”. In order to deceive a reluctant person into believing that the “three card game” is not a scam, the street con-artist will arrange for his partner in crime who poses as an innocent bystander to come and play and win money in your presence so that you too can be lured into gambling; after which you will lose your money and they will both split the money.

Similarly, false preachers lure you into their false churches by using the false Christian congregation as bait. Therefore, do not necessarily rush to a church solely because that church has thousands of members for they could all be baits and the very vast majority of them could yet be antichrists. Don't you ever believe that the progeny of lucifer cannot attend a particular church in their thousands just to deceive only you for satan is willing to sacrifice thousands people just to get one soul to hell.

- **FALSE CHRISTIAN DENOMINATIONS**

The great commission which is the instruction that Christ gave to His disciples did not include the creation of so called denominations. Christ simply told His disciples to go from town to town, city to city, and from house to house to preach repentance for the kingdom of heaven is at hand. Christ did not tell us to create so called denominations in His name.

In the world today, there are several Christian denominations and some of them are totally evil denominations from hell whilst some are not totally evil but yet the progeny of lucifer are hiding there.

Examples of such denominations that we refer to as **“NOT TOTALLY EVIL”** may include some of those protestant churches and some of the so called **“bible believing churches”** which you probably attend. If you decide to attend such protestant and **“bible believing churches”** then you should still realize that the progeny of lucifer are hiding there and they can use any of the deceptive tactics we have listed here to deceive.

On the other hand, there are denominations that are **“TOTALLY EVIL”** and from the pits of hell. Examples of such totally evil denominations are the ones where idols and statues are worshipped and prayed to. Others examples of such totally evil denominations are the ones where the salvation process has been over spiritualized and the ones where rites that are similar to pagan rites are performed. Such totally evil denominations that over spiritualize and perform pagan rites include those **“spiritual churches”** where the congregation is encouraged to approach the pastor for prophecy and divination.

Such evil denominations may also include those “spiritual” churches where the congregation is asked to bring in bottles of oil, holy water, handkerchiefs, perfumes, soaps, items and the rest for blessing. Such overspiritualization is not from Christ, is unnecessary and could be evil. Therefore we advise you not to attend such churches because in most cases it is the spirit of fallen angels and demons that are being infused into those items.

You should not approach a so called pastor for divination and neither should you use any of the fetishes like “holy” oil, “holy” water, “holy” handkerchiefs, “holy” perfumes, “holy” soaps and the rest because once you do, your name could be written down in hell.

Another example of denominations that are totally evil are the ones that are similar to cults. Some of such evil denominations that are like cults have even gone as far as adding their own books and epistles to the bible; they have basically created their own bible and they proclaim that their message is true. We advise you not to attend such denominations that are similar to cults because they are from hell.

You also need to realize that some of these evil denominations that have been created by the progeny of lucifer may not have been established to primarily lure in unsuspecting Christians like you, but in order to cover up the true intentions of the establishers. For example, most of the evil Christian denominations where idols are worshipped may have been set up in order to provide the children of satan in the world (progeny of lucifer) a gathering place to worship satan their father.

You may wonder why a considerable amount of people are still attending these evil denominations where idols are worshipped despite the several revelations that confirm that such denominations are evil. The reason why a considerable amount of people still attend these evil denominations is because the vast majority of those that attend could be the progeny of lucifer who attend in order to worship satan in secret.

Since the progeny of lucifer may not have created such evil denominations for you in the first place, you should not go there. They have created such evil denominations in order to front for lucifer and in order to have a gathering place to worship satan their father, therefore don't go there.

## SHOULD YOU GO TO CHURCH?

Ideally in a world that is filled with true Christians, you should go to church where you and your fellow true Christians will sing gloriously and minister to one another. But nowadays, the infiltration and dilution of the Christian church is massive and the antichrists are now in the churches. Should you still go to church? The answer depends on the type of Christian you are.

Some "liberal" Christians may decide to still attend the infiltrated church. But if you are a more conservative Christian, then you may not want to associate yourself with anything false or satanic and you will not attend the infiltrated church. Instead of going to church, you will establish your own ministry online or offline where you will preach the true message.

Even though the church has been infiltrated by the progeny of lucifer, we

believe that we have no right to tell you not to attend church; but we have warned you that antichrists are abundant in the church and they looking for whom to devour.

Ideally we want you to create your own ministry but if you have to attend church in this evil world, at least attend a church where modesty, holiness, repentance, judgment, heaven and hell fire is preached.

## FIVE AREAS WHERE YOU CAN BE ATTACKED BY THE CHILDREN OF SATAN (2. PEER INFLUENCE)

### PEER INFLUENCE

Peer influence is the direct influence on people by their peers, or the effect on an individual who gets encouraged to follow their peers by changing their attitudes to conform to those of the influencing group or individual. The progeny of lucifer can use peer influence to deceive you into copying acts and immoralities that lead to the paths of hell.

For example, your school friends, work colleagues and even your church friends who are the progeny of lucifer may try to lure you into sinful acts like sexual immorality, immodesty, smoking cigarettes, alcoholism, experimenting with drugs, profanity, immoral films, video games and the rest. With no prior knowledge of the scale of the activities of the progeny of lucifer in the world, you may not realize that your peers that are giving you advice are antichrists and progeny of lucifer that seek your damnation.

But if you are the type of Christian that is aware of scale of the activities of the progeny of lucifer in the world, then you will be quick to identify satan's children when they come close to give you bad advice. Therefore don't conform to sinful ways in order to satisfy your peers. Instead, you should conform to the principles of the bible and the principles of a morally conservative Christian.

Ideally, you should be a mature person and the type of individual that can stand his or her ground in the midst of opposition. Ideally, you should be "YOUR OWN MAN" or "YOUR OWN WOMAN". You should be a "TEAM OF YOU" and you should be a "ONE MAN ARMY". Don't follow the crowd unnecessarily and don't unnecessarily attach to a bunch of friends.

Don't follow the sinful crowd because you will be judged alone. If all your friends and even those that claim to be Christians engage in immoral acts like alcoholism, drug use and sexual immorality, do not join them.

If you are a female and all your friends that claim to be Christians are engaging in immodest dressing, immodest hair styles, alcoholism, drug use and sexual immorality, do not join them. Instead, let your ways be righteous.

Or if you are a male and your friends are trying to lure you into immodest dressing, alcoholism, night clubs, drug use, secular music, hip hop culture, sexual immorality and the rest, do not join them. Instead, let your ways be righteous.

Flee from deceitful peers that have been sent by satan to deceive. That is all in regards to peer influence.

## FIVE AREAS WHERE YOU CAN BE ATTACKED BY THE CHILDREN OF SATAN

(3. BORN INTO A PAGAN, UNCHRISTIAN OR A FALSE CHRISTIAN FAMILY)

### BORN INTO A PAGAN, UNCHRISTIAN OR A FALSE CHRISTIAN FAMILY

You may find yourself in a situation where most or everyone in your family is atheist or pagan. In such a situation where you are born into a pagan family, it is not unusual for your pagan family to raise you in a non Christian religion. We strongly believe that you will not be judged for engaging in such false religions until you have come of age, received your calling, seen the light and discovered the truth of Christ.

At that coming of age point, it is then up to you to choose either righteousness or darkness. Therefore, as you grow older, you should wean yourself off any false religion that is practised by your family.

You should separate yourself from the false religion of your family in a peaceful manner and you should politely tell them that you do not wish to practise their false religion. This peaceful manner of separation will ensure that there won't be a physical fight or quarrel between you and your family. But should your pagan family take the rejection badly and they choose to turn it into a fight, then you have the right to stand your ground to resist and you have the option of leaving the house.

Similar to how you should not give in to bad peer influence from your friends at school or work, you should not give in to bad peer influence from your brothers and sisters because they could yet be antichrists.

For example, your older brother or sister who is an antichrist may try to lure you into immoral acts like sexual immorality, immodesty, smoking cigarettes, “losing your virginity”, alcoholism, experimenting with drugs, profanity, immoral films, immoral cartoons, violent video games and other sins.

Also, you may be born into a false Christian family. We strongly believe that it is worse to be born into a false Christian family than to be born into an openly pagan family. This is due to the fact that false Christian families are more deceitful than openly pagan families because they practise the same evil as the pagans but they do it behind closed doors whilst pretending to be Christians in the open.

Such false Christian families may even take you to church and raise you in the Christian faith but yet they have “skeletons in their closets”. We strongly believe that it is worse to be born into a false Christian family than to be born into an openly pagan family because the evil you know is better than the evil you don’t know.

The evil you know (the openly pagan family) will not hide their pagan practices and their “skeletons” from you and therefore you can easily prevent yourself from being deceived by them. On the other hand the evil you don’t know which is your false Christian family (wolves in sheep clothing) can easily deceive you whilst pretending to be Christians.

In such a situation where you are born into a false Christian family, it's not unusual that your false Christian family will raise you in the Christian faith but we hope they do not raise you in a false Christian denomination and we also hope that they do not try to mislead you with any of the deceptive tactics we have listed in the "false preachers".

Therefore, be careful and realize that you've got no one but Christ. Even your parents, brothers and sisters that take you to church on so called Sundays can yet mislead you.

Also, note that your parents are not God and even though the bible says that you should honour your parents; that doesn't mean you should unnecessarily bow and give in to misleading advice from your parents all in a bid to satisfy the "respect your elder" and the "honour your parents" philosophy.

You should still honor you father and mother and you should still maintain a healthy relationship with them even though they are unchristian, but if they try to lead you away from the Christian faith or if they try to force you into practising a false religion then you have the right to rebel and stand your ground for the Christian faith.

## **FIVE AREAS WHERE YOU CAN BE ATTACKED BY THE CHILDREN OF SATAN (4. MARRIAGE)**

# **MARRIAGE**

**WARNING!**

## THE CHRISTIAN MARRIAGE HAS BEEN INFILTRATED BY SATAN THROUGH HIS CHILDREN IN THE WORLD AND YOU MARRY AT YOUR OWN RISK.

### FALLEN ANGELS MATING WITH FEMALE HUMANS?

The book of Genesis states how “sons of God” mated with female humans to give birth to giants called nephilims. These “sons of God” are believed to be the fallen angels; however we will not discuss the topic of “nephilims” here.

Christ has told us in Matthew 13: 37-38 that satan’s children (tares) who do the will of their father are in the world, hasn’t He? Yes He has. So therefore, if we believe that there are children of satan in the world as Christ has stated in the bible, then shouldn’t we also believe that there is a high possibility that there will be marriages between these children of satan and true Christians?

### WILL THE PROGENY OF LUCIFER TRY TO MARRY YOU?

Of course they will, why wouldn’t they? The sin of Eve has opened the door for the corruption of the Christian marriage. Since they have a lot to gain from marrying you, we strongly believe that they will surely approach you for marriage.

### MARRIAGE IS BY FAR THE MOST SERIOUS

Marriage is by far the most serious means of attack because with marriage you will be sleeping beside, cooking breakfast for, having children with and raising a child with an antichrist whom you believe is a Christian like you.

With marriage, satan has an intimate and a 24/7 access to you through his child.

## **MARRIAGE IS NOT A JOKING MATTER, YOUR WIFE OR HUSBAND CAN LEAD YOU TO HELL**

Marriage is not a joking matter for a child of God because if you happen to marry the wrong person, he or she can lead you astray and even to hellfire. Therefore, as a true Christian, you cannot afford to joke around with, play with and to be unserious with your dating, courtship and marriage process.

## **IS IT POSSIBLE TO FIND A TRUE CHRISTIAN HUSBAND OR WIFE?**

In our opinion, we believe that it is highly unlikely that you will find a true Christian husband or wife. We strongly believe that in most cases, true Christians like you and I ignorantly marry false Christians (progeny of lucifer). But we will stop short of telling you that it is impossible to find a true Christian partner because God is a miracle worker and He can provide you with a true Christian wife or husband.

## **FREQUENTLY ASKED QUESTIONS ABOUT MARRIAGE**

In regards to marriage, you may seek answers to these frequently asked questions:

- Can I marry an unbeliever?
- How do I know if the person I am dating is the right person?

- How do I know if the person I am dating is a true Christian?
- What criteria should I use to test my potential partner?
- Does God tell us who to marry?
- 

In regards to your frequently asked questions about marriage, we have the following advice:

### **GOD HAS GIVEN YOU A GIFT THAT IS GREATER THAN A WIFE OR A HUSBAND**

God has given you a gift that is far greater than a wife or a husband and that gift is salvation through the blood of His only begotten Son (Christ).

### **GOD'S PRIORITY IS GIVING YOU SALVATION THROUGH THE BLOOD OF HIS SON AND NOT GIVING YOU WORLDLY ITEMS LIKE MONEY, CARS AND EVEN A HUSBAND OR A WIFE**

God has not only saved you through the blood of His son, He has also built you mansions in heaven; therefore, why should God necessarily guide you on how to find yourself a mere worldly item like a wife or a husband?

If you want to get a true Christian husband or wife, you may have to work hard and "till the ground". If you want to avoid marrying a false Christian who is an antichrist, then you have to get off the couch and work for it.

### **YOU LOVE THE WORLD AND YOU "ASK FOR MEAT", IF YOU PRAY FOR A HUSBAND OR WIFE**

You may have been told by some preachers to pray to God for a husband or wife but we strongly believe that you will become a lover of the world by

becoming too attached to finding a husband or wife. Becoming too attached to finding a husband or wife means that you love the world more than the sacrifice of Christ on the cross. Matthew 10:37 states “He that loveth father or mother more than me is not worthy of me: and he that loveth son or daughter more than me is not worthy of me”. Similarly, you are not worthy of Christ if you become too attached to finding a husband or wife.

Therefore, if you become too attached to praying for a husband or a wife then you will become like the ungrateful Israelites who asked God for meat after being delivered from slavery in Egypt. You should focus first on salvation and realize that marriage is not a priority, having children is not a priority and wearing the white wedding gown is not a priority, what matters is if you are saved or not.

## **GOD IS NOT NECESSARILY A MATCHMAKER**

Although God can send you a true Christian wife or a husband, we strongly believe that you could be on your own when it comes to finding a true Christian wife or husband because God’s priority is not finding you a husband or a wife and He is not necessarily a matchmaker. Gods’ priority is to purify humanity through the sacrifice of His son. Therefore if you want a true Christian wife or husband then you have to get off the couch, be tough and work for it. You have to have to create ways to beat the infiltration of the Christian marriage.

## **BEWARE OF FALSE PREACHERS THAT “OVER-SPIRITUALIZE” THE PROCESS OF FINDING A PARTNER**

If you carry out a research on how to find a true Christian partner, you may discover some so called preachers advising singles to **“ALLOW THE HOLY SPIRIT GUIDE THEM”** to their God-ordained partners.

Such preachers will tell you that you should kneel down in your bedroom, pray and let the “Holy Spirit” lead you; after which, God will reveal your partner to you through a dream or a vision. You should not necessarily believe such preachers that “over- spiritualize” the process.

Yes, God can give you a revelation of your partner but we must not necessarily believe that such revelations are bound to occur and neither should we believe that the process for revelations is an automatic process where everyone prays for a partner before bedtime and where everyone automatically gets a revelation through a dream in the middle of the night.

### **CAN I MARRY AN UNBELIEVER?**

In Deuteronomy 7:3, God warned the Israelites not to intermarry with non Jews (pagans) and this could also imply that a Christian should not marry a non-Christian (unbeliever).

### **GOD’S WARNING IN DEUTERONOMY VERSUS PAUL’S ADVICE**

However, in 1Corinthians 7:12--14, Paul stated that a Christian can marry an unbeliever as long as that unbeliever is willing to live with the Christian. So which advice should we take? Should we stick with God’s warning in Deuteronomy or should we take Paul’s advice in the New Testament?

Paul may have stated that we can marry an unbeliever but the term “UNBELIEVER” was not fully defined by Paul in 1Corinthians 7:12--14. Please note that there are two types of “UNBELIEVERS”.

## THERE ARE TWO TYPES OF UNBELIEVERS

In regards to whether or not a Christian should marry an unbeliever, the answer can be a yes or a no depending on the type of unbeliever. There are two types of unbelievers and these are **“THE UNCALLED GROUP”** and the **“DIRECT AGENTS OF SATAN”**

- **AN UNBELIEVER WHO IS FROM THE UNCALLED GROUP**

An unbeliever from the **“THE UNCALLED”** is the unbeliever who is a child of God but who has not received his or her calling from God yet. We refer to such unbelievers as **“THE UNCALLED”** because although they are children of God like you, they are still playing around with sin, worldliness and unbelief in Christ because they have not received their calling from God yet.

Most of the Christians were once living sinful lives like the **“THE UNCALLED”** before they received their calling. Therefore, you may choose to marry such an unbeliever that is from the **“THE UNCALLED”** and you can convert him or her to the Christian faith.

- **AN UNBELIEVER WHO IS A DIRECT AGENT OF SATAN**

An unbeliever who is a **“DIRECT AGENT OF SATAN”** is the unbeliever who is employed by satan and who actively works to fulfill the aim of satan. We refer to such unbelievers as **“DIRECT AGENTS OF SATAN”** because they may even have demonic souls or they may have sold their souls to satan.

You should not marry unbelievers that are **“DIRECT AGENTS OF SATAN”** because such unbelievers may not have human souls in them and you may not be able to convert them to the faith. You cannot marry a **“DIRECT AGENT**

OF SATAN and hope to convert him or her to Christianity because it could be impossible. Trying to convert a “DIRECT AGENT OF SATAN” to Christianity could be like trying to convert satan and his demons to Christianity, it is impossible.

### **BUT HOW WILL YOU KNOW IF THE UNBELIEVER YOU ARE PLANNING TO MARRY IS FROM “THE UNCALLED” OR A DIRECT AGENT OF SATAN?**

Since you don’t have “x-ray” vision, there is no way you can know if the unbeliever you are dating is from “THE UNCALLED” or a “DIRECT AGENT OF SATAN” and that is why we advise you not to marry any unbeliever in the first place.

### **THEREFORE THE QUESTION WE SHOULD BE ASKING IS NOT “CAN WE MARRY UNBELIEVERS”. INSTEAD, WE SHOULD BE ASKING “HOW DO WE DETERMINE THE TYPE OF SOUL THAT IS INSIDE THE PERSON WE WANT TO MARRY”**

The question we should be asking is not “can a Christian marry an unbeliever”, the question we should be asking is, “how can a Christian find out the type of soul that is inside the person he or she wants to marry”. This is because a person who is a sinful, immoral and an unbelieving atheist can yet be a child of God like you who has not received his or her calling yet (**THE UNCALLED**).

On the other hand, a person who confesses Christ, prays, goes to church, preaches and who you believe is a child of God can yet be a demonic person who pretends to be a Christian (**“DIRECT AGENT OF SATAN”**).

## HOW THE PROGENY OF LUCIFER ATTACK YOU IN MARRIAGE

- **ADULTERY**

If you marry someone from the progeny of lucifer, then he or she is highly likely to be unfaithful to you.

- **LURE YOU INTO PRACTISING ANOTHER FAITH**

Your husband or wife who is from the progeny of lucifer may try to lure you away from the Christian faith and lead you into false religions and cults. Deuteronomy 7:3-4 states: *Neither shalt thou make marriages with them; thy daughter thou shalt not give unto his son, nor his daughter shalt thou take unto thy son. For they will turn away thy son from following me that they may serve other gods: so will the anger of the Lord be kindled against you, and destroy thee suddenly.*

- **DISCOURAGING YOU FROM PRACTISING THE CHRISTIAN FAITH**

They may also try to discourage you from praying, congregating with Christians, fasting and observing Christian rites.

- **PROVOKING YOU TO ANGER AND SIN**

Your husband or wife who is from the progeny of lucifer may provoke you to anger and sin. For example, there have been incidents where the progeny of lucifer provoked their partners by openly committing adultery in order to provoke their Christian partners into counter-cheating and by so doing they commit the sin of adultery. They can provoke you even to the point of

committing murder and there are people in hell because they committed sin as a result of the provocation of their antichrist partners.

- **LURE YOU TO SIN**

Your husband or wife who is from the progeny of lucifer may try to lure you into sins like, immoral sexual acts on the marriage bed, immodesty, telling small lies, gossiping about your neighbour, fraud, bribery, corruption, filing false tax returns, cheating and the rest. Therefore we advise you not to join your partner in any form of deceit, corruption, gossip or sin and nether should you perform sinful and immoral sexual acts on your husband or wife.

- **BULLYING AND DOMESTIC VIOLENCE**

The Christian woman is more vulnerable here because of the physical strength of the antichrist husband. Since you are the physically weaker woman, your male husband who is from the progeny of lucifer may attempt to use brute force to bully you. For more on this, please read our **“LETTER TO THE CHRISTIAN WOMAN”** at the end.

- **SPYING ON YOU ON BEHALF OF SATAN**

As a true Christian, you probably try to flee from satan, but if you marry a person from the progeny of lucifer, then you will become satan’s intimate partner for life. With marriage, satan through your antichrist wife or husband now has an all access “gate pass” to you. With marriage, satan can now spy on you 24/7 and satan will now know your deep inner secrets, routines, prayers points and ambitions.

- **OTHER DIABOLICAL REASONS**

We strongly believe that there are other diabolical and spiritual reasons why the progeny of lucifer marry Christians.

**THE ULTIMATE QUESTION:  
HOW DO I KNOW FOR SURE THAT THE PERSON I WANT TO MARRY  
IS A TRUE CHILD OF GOD?**

This is the ultimate question that we all want an answer to, isn't it? We want to know for sure that the person we are dating is not an antichrist that is pretending to be a Christian, don't we? But unfortunately, we are sad to inform you that there are no conventional means of identifying who is a child of God and who is a child of satan because progeny of lucifer have perfected the art of blending in into the church and pretending to be Christians.

But we never said that there are no means of identifying who is a child of God and who is a child of satan; what we said is that there are no "CONVENTIONAL" means.

We will advise you as best as we can and we will introduce you to some "UNCONVENTIONAL" means so that you can and avoid these antichrists that want to marry you and lead you to hell.

Here is our advice:

**DO NOT USE CONVENTIONAL TESTS TO DETERMINE WHETHER THE  
PERSON YOU WANT TO MARRY IS A TRUE CHRISTIAN OR NOT**

Do not use conventional tests to determine whether or not the person you want to marry is a true Christian because the progeny of lucifer can easily pretend to have the Christian attributes which your conventional tests seek to discover. For example, do not rely on the following conventional tests because they can fail you:

- **TESTING TO DISCOVER IF THE PERSON YOU WANT TO MARRY CONFESSES CHRIST**

Don't all those false and prosperity preachers that lead souls to hell confess Christ as Lord before everyone? Yes they do, they confess Christ as Lord but yet they are children of satan that preach the prosperity gospel.

It costs nothing for the antichrist you are dating to lie to you, confess Christ as Lord and pretend to be a Christian. The progeny of lucifer will lie to you that they are Christians and they will confess the faith in order to marry you.

- **TESTING TO DISCOVER IF THE PERSON YOU WANT TO MARRY SHOWS SOME FRUITS OF THE SPIRIT LIKE LOVE, KINDNESS AND GENTLENESS.**

As we have stated earlier, the progeny of lucifer can pretend to have some fruits of the spirit just to deceive you. You need to realize that the main mission of the progeny of Lucifer in marriage is to lead you to hell. They will not want to blow their cover at an early stage and therefore they will not necessarily appear harmful to you. Instead, they may even pretend to have some fruits of the spirit like love, kindness and gentleness whilst you are dating only for them to lead you to the fires of hell after they marry you.

- **TESTING TO DISCOVER IF THE PERSON YOU WANT TO MARRY ATTENDS CHURCH REGULARLY AND IS ACTIVE IN THE CHURCH.**

The progeny of lucifer under the human disguise also attend church regularly and it costs nothing for the progeny of lucifer to attend church, join the youth pastoral team or join the church choir. Haven't you discovered Christian women that complain about how their husbands that they met in the church choir are now violently abusing them in marriage?

Or haven't you discovered Christian men that complain about how their wives that they met at bible study are now unleashing hell in marriage? It costs nothing for the progeny of lucifer to be active in the church, attend church, volunteer in the church or join the church choir in order to marry you.

- **TESTING TO DISCOVER IF THE PERSON YOU WANT TO MARRY HAS ADEQUATE KNOWLEDGE OF THE BIBLE.**

The progeny of lucifer and satan have more knowledge of the bible than you because it is the bible they will use to accuse you after you die. Therefore, your potential partner that has adequate knowledge of the bible could yet be from the progeny of lucifer.

- **TESTING TO DISCOVER IF THE PERSON YOU WANT TO MARRY IS THE RELIGIOUS TYPE THAT PRACTISES MODESTY, OUTWARD HOLINESS AND WHO PREACHES ABOUT JUDGEMENT AND HELLFIRE.**

As we have stated in “false preacher”, the progeny of lucifer can yet pretend to be modest Christians. They can pretend to be the type of Christian that dresses modestly and the type that preaches about judgment and hellfire. Therefore do not automatically believe that a man or woman is a true Christian solely because he or she dresses modestly, doesn’t wear makeup or earrings. Neither should you automatically rush into marriage with such people for you could be getting married to a child of satan perfectly disguised as a modest Christian. In addition, the progeny of lucifer can use the “hell card” to gain your trust and marry you.

- **SEEKING YOUR PARENT’S OR PASTOR’S APPROVAL**

Your parents or pastor could be from the progeny of lucifer and they can give you wrong advice or they can even set you up to marry an antichrist who will lead you to hell. Therefore, don’t automatically rely on the advice of your parents or pastor in regards to selecting a wife or a husband.

### **THE ULTIMATE ANSWER: HOW TO KNOW FOR SURE THAT THE PERSON YOU WANT TO MARRY IS A TRUE CHILD OF GOD**

Since the progeny of lucifer can perfectly blend in and imitate true Christians, then what can we do to protect ourselves other than to resort to “UNCONVENTIONAL MEANS”.

We advise you do the following:

## RESORT TO DIRECT CONFRONTATION

We have discovered that some Christians try to use basic tricks to test whether or not the person they are dating is a true Christian. Such basic tricks may include intentionally lowering your guard in order to discover if the person you are dating will fall for your trick. Such basic tricks may also include you pretending to be unvigilant in the presence of the person you are dating in order to trick him or her into revealing his or her true self.

We advise you not to use such basic tricks to test your potential husband or wife because you are dealing with demons that are thousands of years old; they will not fall for such basic tricks.

Instead resort to direct confrontation.

## DIRECTLY CONFRONT THE PERSON YOU WANT TO MARRY

If you brazenly and directly confront the person you are dating, then you are already halfway from protecting yourself because the person you are dating will realize that you are aware of satan's infiltration of the Christian marriage.

Therefore, we want you to confront the person you are courting. After which, you should ask him or her following questions:

- Are you a true Christian?
- Are you a child of God?
- Do you believe that Christ is the Son of God?

- Do you rejoice in the sacrifice of Christ at the cross?
- I'm sorry and I don't mean to offend you, but God has asked me to ask you this question; please don't be offended. Are you an antichrist, demon incarnate, satanist, siren or some sort of demonic/hybrid being in human skin? I only ask you this question because the bible tells us there are such in the world.

### **DON'T BE SHY TO ASK THE PERSON YOU WANT TO MARRY SUCH DEEP QUESTIONS**

Some of these questions we have told you to ask may be considered as politically incorrect questions but it's either this or you risk marrying a child of satan who will lead you to hellfire.

Do not be shy or timid to ask the person you are dating such deep questions because marriage is not a joking matter and the person you marry can lead you to damnation.

The Christian women must not be shy to ask such deep questions and neither should they believe that they will chase away potential suitors by asking such question because a true Christian man should appreciate a woman that asks such deep questions.

### **EVEN IF HE OR SHE LIES TO YOU, YOU WILL STILL HAVE MADE PROGRESS**

Even if the person you are courting is from the progeny of lucifer but he or she lies to you and gives satisfactory answers to the questions we have told you to ask, you will still have made progress because the person you are dating will now know that you are aware of satan's infiltration of the

Christian marriage and they will realize that they will have a tough time if they marry you.

## APPROACH DATING AS YOU WILL APPROACH A SERIOUS BUSINESS DEAL

The dating process of non Christians, atheists and pagans can afford to be informal and filled with only fun. But the same does not apply to the true Christian who seeks salvation and who realizes that the road to salvation is narrow.

Such true Christians cannot afford to copy or believe in urban dating principles which the immoral media portrays. A Christian should realize that marriage is not a joking matter and he or she should approach the dating process as one will approach a business merger deal.

In a business merger deal or in a joint venture deal between corporations; both parties will initially sit down on opposite ends of the table to agree on merger terms, won't they? Yes they will and both parties will request what the other party has to offer to the deal, won't they? Yes they will and it is only after both parties have agreed on the terms and it is only after they have made verifications that they will close the deal with fun filled lunch or dinner.

Similarly, marriage is a serious merger between a true Christian man and a true Christian woman. Therefore both the man and woman must initially sit down on opposite ends of the table to vigorously verify after which the fun and playful dates come in. Therefore you should initially sit your potential

partner down, then put on an impassive face and ask him or her, the questions we have told you to ask.

### **MAKE YOURSELF A HYPER-HOT AND VOCIFEROUS CHILD OF GOD**

If the kitchen is too hot, the thief may not break into the kitchen because of the intense heat. Similarly, if you are a hyper-hot Christian, there is a high possibility that the progeny of lucifer will refrain from marrying you because of your fire for Christ. If you are the type that is **VOCIFEROUSLY AGGRESSIVE** in your defence of the Christian faith and if you are a **VOCIFEROUSLY AGGRESSIVE** preacher, the progeny of lucifer will run from you.

### **SHOULD WE LEAN TOWARDS POLYGRAPH TESTS?**

Has the massive infiltration of the Christian marriage by satanists that marry our fellow Christian brothers and sisters in order to lead them to hellfire reached a point where we need to throw everything at the satanists including the kitchen sink? Has the massive infiltration of the Christian marriage by satanists reached a climax where we now need to ask our prospective partners the following questions with a polygraph test?

- Are you a true Christian?
- Are you a child of god?
- Do you believe that Christ is the Son of God?
- Do you rejoice in the sacrifice of Christ at the cross?
- I'm sorry and I don't mean to offend you, but God has asked me to ask you this question; please don't be offended. Are you an antichrist, demon incarnate, satanist, siren or some sort of

demonic/hybrid being in human skin? I only ask you this question because the bible tells us there are such in the world and such have come into the Christian church to infiltrate the Christian marriage.

### **ALREADY MARRIED?**

We don't mean to be home breakers, but if you are already married, then there is a possibility that you may have married someone from the progeny of lucifer who may have pretended to be a true Christian. Therefore you should be careful and you should suspect that your spouse is from the progeny of lucifer if he or she attacks you in any of the ways we have listed. Even if you are already married, you can still protect yourself. Give your husband or wife who could be from the progeny of lucifer no chance to attack you by making your home a strong Christian one.

### **YOUR MARITAL OPTIONS (YOU HAVE 4 OPTIONS)**

In regards to marriage, you have the following four options:

#### **OPTION 1: FLEE FROM SATAN AND THE EVIL WORLD, REMAIN SINGLE, CELIBATE AND BE SAFE**

Similar to how total abstinence is the best way to prevent sexually transmitted diseases, remaining single is the best way to prevent satan from coming into your life as your husband or wife. In this option, you will not get married at all or have children but you will be free from satan and you will also have more time to preach the Christian message.

This option is usually reserved for “John the Baptist-tpye” of preachers that want to live a life of sacrifice, self denial and preaching.

### **OPTION 2: MARRY WHOEVER CONFESSES THE CHRISTIAN FAITH AND APPEARS DECENT ENOUGH**

This is the option that has been chosen by most Christians. Most Christians usually marry a person that confesses Christ, attends church, comes from a decent family, has a good job and who appears decent enough.

However, if you choose this option then we have the right to inform you that you have a high chance of marrying a person from the progeny of lucifer because the progeny of lucifer can come in the form of decent Christians. But we have no right to tell you that it is impossible to find a true Christian partner with this option because God is a miracle worker and He can provide you with a true Christian wife or husband.

### **OPTION 3: TAKE OUR ADVICE AND VIGOROUSLY TEST IN ORDER TO VERIFY THAT THE PERSON YOU WANT TO MARRY IS NOT FROM THE PROGENY OF LUCIFER**

This option involves you vigorously testing and making checks in order to discover the spiritual identity of your potential partner. You may take our advice and use the vigorous and unconventional techniques we have suggested earlier.

If you choose this option, we must still inform you that remaining single is the best way of protection. But at least, with this option, you have a higher chance of not marrying someone from the progeny of lucifer.

You also have a higher chance of discouraging your husband or wife who is from the progeny of lucifer from attacking you in marriage.

**OPTION 4: BE THE TYPE OF CHRISTIAN THAT CANNOT BE CORRUPTED, DECEIVED OR BULLIED BY YOUR PARTNER (BE THE TYPE OF CHRISTIAN THAT CAN HANDLE “LIVE WIRE”)**

For example, I usually carry out electrical maintenance work in my house and this involves connecting wires. But before I connect any wire, I need to turn off the power supply in order to avoid electric shocks. I need to turn off the power supply because I am not a professional electrician; a professional electrician doesn't need to turn off the power supply and he can connect the live wires carefully with a plier without getting shocked.

The point we are trying to make here is that once you are the type of Christian that cannot be corrupted, deceived or bullied by your partner then you can marry anyone you wish. Once you are the type of Christian that can handle “live wire” (a child of satan that happens to marry you) then you can marry anyone you wish.

For example, I can marry anyone I wish because I am the type that cannot be corrupted, deceived or bullied by my false Christian partner and I am familiar with the deceptive tactics used by antichrist partners. I can handle my false Christian partner should she attempt to lure me away from the faith and this means that I can handle “live wire” (a child of satan that happens to marry me).

But here is the question, can you handle “live wire”? For example, can you handle being married to a girl that is a witch but who pretends to be a Christian? I can, can you?

Can you handle being married to a girl that is from the marine kingdom but who pretends to be a Christian? I can, can you? Can you handle being married to a male demon who pretends to be a true Christian man?

This marital option is reserved for those that are tough and incorruptible. But the truth is that most Christians are gullible and they are not even aware that the progeny of lucifer exist and are out to marry them.

In marriage, the progeny of lucifer are live wires and you need to be tough to handle live wire otherwise you will get shocked.

## **BUILDING A STRONG CHRISTIAN HOME**

Building a strong Christian home starts with making sure that you marry a true Christian in the first place. However, you can still make your home a strong Christian one irrespective of who you marry. Create a strong Christian family by establishing a Christian culture in your home. Such Christian cultures may include simple acts like:

- The culture of daily morning devotions by the entire family
- The culture of fasting and praying by the entire family
- The culture of having fellowship with other Christians
- The culture of modesty, humility, gentleness and outward holiness

- The culture of truth-saying, sharing, showing love, forgiveness, generosity and standing your ground for the Christian faith.
- The culture of strict, morally conservative but generous Christians.

## RAISING CHRISTIAN CHILDREN

Proverbs 22:6 states “train up a child in the way he should go: and when he is old, he will not depart from it”.

Therefore you ought to raise your children as morally conservative Christians as this will preserve the Christian culture in your bloodline.

In the world today, there are lots of avenues where children can get corrupted and you ought to shield your children from such avenues. Do not allow your children to play video games and neither should you allow them to play with evil dolls and toys. Do not allow your children to watch evil and violent films or cartoons and neither should you let them use the internet and smart phones unsupervised. Cartoons are evil, haven't you wondered why almost all of the cartoon characters are ugly looking creatures, dinosaurs, reptiles, mermaids and dark ugly villains? Since when did ugly looking creatures, dinosaurs, mermaids and dark ugly villains become fun and “cool”? This is why you should not allow your children to watch cartoons, they are evil.

Instead, you should integrate Christianity with your children's recreational activities. Teach your children about Christ, the bible and God. Similar to how a little boy learns a trade like carpentry from his father, you should let your children imbibe the culture of preaching the gospel so that they can learn and aspire to practise the “family trade” which is soul winning.

You can take your children to church but make sure that the church is the type where truth, modesty, holiness, repentance, judgment and hellfire are being preached.

As your children grow to become teenagers, do not let them go astray, instead protect them from peer pressure, immodesty, drug use, pornography and sexual immortality. You should instill discipline in your teenagers and teach them to be generous and not selfish. Teach your sons to show love, gentleness, care and not lust towards the opposite sex. Teach your daughters to show love, gentleness, care and not lust towards the opposite sex. By so doing, satan will not be able to get your children with sexual immorality.

Teach your children to show humility and not pride. Teach them to show submission to God and not humanism. As your children approach the age of marriage, it's your responsibility to make sure that your children marry within the faith similar to how Abraham ensured that Isaac got married to Rebekah. Ensure that your children marry true, modest and morally conservative Christians and ensure that your children teach their own children all the things you have taught them.

### **CAN YOUR CHILDREN BE FROM THE PROGENY OF LUCIFER?**

We strongly believe that having children nowadays is like playing a “lucky dip” game; you never know what you may get. Christ has stated in Matthew 10:35 that He has come to set a man at variance against his father and the daughter against her mother. Therefore, there is a possibility that your child can be from the progeny of lucifer and this why you will find one evil child in a family of Christians.

This is also why you will find one true Christian child in a family of pagans. Irrespective of the child you get, you should teach him or her about Christ and you should show love generosity and kindness towards that child.

## FIVE AREAS WHERE YOU CAN BE ATTACKED BY THE CHILDREN OF SATAN (5. PHYSICAL HARASSMENT AND DISCRIMINATION)

# PHYSICAL HARASSMENT AND DISCRIMINATION

Since you live in the same communities as the progeny of lucifer, then there could be altercations. The bible states that a time will come when whoever does not receive the mark of the beast will not be allowed to buy or sell; similarly the progeny of lucifer can use that type of discrimination against you. It is not uncommon for the progeny of lucifer to use physical harassment and discrimination against Christians.

Are you being discriminated against because of your Christian faith? If so, then you should be happy because it means that you are doing something that satan doesn't like. The progeny of lucifer only physically harass the people that are not already theirs.

The best response to physical harassment is to tactically retreat by distancing yourself from them. Christ has already won the battle for you and therefore the smartest thing to do is not to fight but to tactically retreat from them. They only harass you because you are doing the wrong thing by mixing with the world in the first place. They only harass and discriminate

against you because they feel irritated by you. Ideally, they want to be the only ones in the world without Christians so that they can have huge parties where they will sodomize, have sex competitions in the markets, offer child sacrifices in the streets and worship satan their father. But with you around, you are kind of spoiling their party and this is why they harass you.

But if you do what you are supposed to do which is to flee from them, then they will flee from you. However, in whatever situation you find yourself; don't let them provoke you to anger, unforgiveness, hate, vengeance or sin.

**YOU HAVE TO BE TOUGH BECAUSE YOU ARE LOCKED IN THE SAME "PRISON BLOCK" AS THE "MURDERERS", "RAPISTS" AND "TERRORISTS".**

In a segregated prison, the murderers, rapists and terrorists are usually kept far away from those that have committed minor offences.

But in an unsegregated prison which exists in some parts of the world; those that are convicted for minor offences are locked up in the same cells with the murderers, rapists and terrorists. And in such unsegregated prisons, new inmates have to act tough otherwise they will get bullied by the rest of the inmates.

This world can be likened to that unsegregated prison where everyone is locked in one huge cell. You are locked up in this world with the children of satan who are demons in human flesh and therefore you have to act tough like that new prison inmate otherwise you will get attacked by the progeny of lucifer.

The offence you and I have been convicted of is eating from the forbidden tree but we have been redeemed by the sacrifice of Christ.

However the fallen angels, lucifer, the demons and the rest have been convicted of a much greater offence. But we and the fallen angels, lucifer, the demons and the rest are all locked up together in this evil world. We are locked up with the children of lucifer. This is why you have to be tough, be your own man, be a team of you, be one man army and stand your ground for Christ.

The Christian man as well as the woman should therefore prevent themselves from being easy targets by becoming tough, resilient, vociferous and incorruptible preachers of Christ. Anything short of this, you become an easy target.

## LETTERS

We strongly believe that it is necessary that we give directed advice to specific groups of people.

### LETTER TO CHRISTIANS IN NON CHRISTIAN COUNTRIES

Are you in a country where other religions or political ideologies have been made the official religion? In such a situation, you may have been raised in another religion but you will have the time to come to Christ as you grow. As you grow, you should wean yourself from any false religion or political ideologies that are being practised by your countrymen.

If you want to practise the Christian faith, have Christian gatherings or if you want to preach in such countries, then you could do it in a way that will not lead to confrontations between you and your compatriots or government.

If you want to practise the Christian faith, have Christian gatherings or if you want to preach in such hostile countries, you should be a **SURREPTICIOUS “POLITICIAN”** with good political skills. By so doing, you will be able to outsmart, practise the faith and preach to those you want to reach without directly confronting your compatriots or government.

Even Christ displayed such political skills in Matthew 22:21 where He stated “render therefore unto Caesar the things which are Caesar’s; and unto God the things that are God’s”.

In regards to persecution, the bible advises us to endure, turn the other cheek and rejoice for great is our reward in heaven. Matthew 5:11-12 states:

11. Blessed are ye, when men shall revile you, and persecute you, and shall say all manner of evil against you falsely, for my sake.

12. Rejoice, and be exceeding glad: for great is your reward in heaven: for so persecuted they the prophets which were before you.

Some of the saints like, Stephen and the disciples were once victims of persecution, therefore you should you rejoice that you have the opportunity to suffer for Christ. Neither should you fear your countrymen, authorities, law enforcement or government that can only kill the body but cannot kill both the body and soul in hell. Matthew 10:28 states “And fear not them which kill the body, but are not able to kill the soul: but rather fear him which is able to destroy both soul and body in hell”

Yes we ought to turn the other cheek and we ought not to seek vengeance, however there are situations where you ought to be tough and stand your ground to fight for the faith. Even Christ demonstrated such toughness when he chased out the moneychangers and the traders from the temple (Matthew 21:12). Therefore you too ought to be as tough as Christ in your defence of the faith even if you are in a hostile country.

But in whatever situation that you find yourself, make sure you let the whole world know what is going on in your location.

## LETTER TO THE CHRISTIAN WOMAN

- **The Christian woman has a duty to preach**

As a woman, you have the same hands, legs and mouth as the man; therefore you ought to preach the gospel. We have discovered false teachings that encourage Christian women not to preach.

Teachers that encourage women not to preach usually quote (1 Timothy 2:12) to justify their false teaching. Yes, Timothy may have said *“but I suffer not a woman to teach, nor to usurp authority over the man, but to be in silence”*

However, we strongly believe that Timothy’s advice was just a passing comment and we strongly believe that such a verse does not imply that a woman should reject her duty to save souls by preaching.

Timothy will never have implied that a woman should not share the message of Christ our Messiah. Even in the time of Moses, there was a female prophet (prophetess) called “Miriam”. Who are prophets? They are people that God directly speak to and they are higher than regular preachers. So if God Himself can make a woman (Miriam) a prophetess, then why won’t God want a woman to preach the gospel of Christ?

Therefore as a Christian woman, you have the right to go to the streets, schools and markets to share Christian flyers. You have the right to go to social media sites to create pages and video channels where you will share the message of Christ. By so doing you are not usurping authority over the man but you are doing Christ a favour by winning souls for Him.

And besides, which is lawful, to do good or to do evil? Similar to how Christ was accused for healing the sick on the Sabbath day (Mark 3:4), didn’t Christ reply His accusers by saying “which is lawful on the Sabbath: to do good or to do evil, to save life or to kill?”

Similarly, which is lawful? A woman preaching to save people from hellfire or a woman doing evil? The present church needs all hands on deck, irrespective of whether they are male hands or female hands, for the harvest is plentiful but the laborers are few (Matthew 9:37).

- **The Christian woman could be the sitting duck?**

Hunters that hunt for ducks on the water usually target the gentle ducks that stay in one position on the water because they are easier to shoot at; such ducks are called sitting ducks.

Similarly, the Christian woman could be that sitting duck that is an easy target for the progeny of lucifer. This could have been the reason why the serpent approached Eve and not Adam in the Garden of Eden?

- **The Christian woman should not be quick to shed a tear, instead she should be strong for she will be judged like a man**

We urge you not to be the type of woman that is quick to shed a tear, instead be a strong and mature woman that can take a couple of punches and the type of woman that can stand her ground to fight for God.

Don't be intimidated by the threat of violence because Christ has told us not to fear those that can only kill the body but cannot kill the body and soul in hell. Instead, be the type that can stand her ground for Christ in the midst of opposition. You've got to be as tough as a man because you will be judged like the man.

There is no special treatment given to women in hellfire

- **Dating and marriage presents a million and one risks to the Christian woman; therefore be proactive and efficiently vet suitors**

In dating nowadays, a norm has been established where the man is the one that is expected to seek and find the woman. It is unfortunate that some women believe that such a norm makes them special.

What these women don't realize is that such norms makes women sitting ducks and it makes them highly vulnerable to attacks because anyone including evil men could seek and find you.

You probably believe that you are special and you believe that your “Boaz” has to put in extra effort to chase you. And you probably believe in the unbiblical saying *“a woman’s heart should be so lost in God that a man must seek Him in order to find her”*.

We are not trying to imply that you are not special and neither are we trying to imply that your heart should not be lost in God. But we know that satan thorough his male demonic children will find you first before your “Boaz” does.

And this is why we urge Christian women to reject that societal norm and urban dating principle that encourages women to automatically believe that it is the man that seeks and chases the woman. Such societal norms have made women lazy in regards to being proactive and in efficiently vetting suitors.

The woman should be proactive, not be shy and she should be mature at an early age. As a Christian woman, you are being monitored by several men who are progeny of lucifer since the day you were born and satan may have even arranged a husband for you since the day you were born.

Therefore, you ought to put your marital faith in your hands by being proactive and by efficiently vetting suitors rather than making yourself a sitting duck by doing nothing other than waiting for your “Boaz” to find you.

- **Are you still single? The progeny of lucifer can delay your marriage in order to punish you**

The attack on the Christian woman can begin even before marriage. The progeny of lucifer can either delay or speed up your marriage. They can marry you in your teenage years in order prevent a true Christian man from finding and marrying you first. Also, they can delay your marriage in order to punish you.

They delay your marriage so that you can lose faith in God for not giving you a husband. Whilst delaying your marriage, they will then release the demons of lust into you so that you may go into sexual immorality. Therefore we advise our Christian women not to be too attached to finding a husband, the world is not about marriage or having children. Don't cry for a husband because if you do you will become a lover of the world and neither should you go into sexual immorality.

Although the progeny of lucifer can delay your marriage, we strongly believe that in most cases they will marry you early in order prevent a true Christian man from finding and marrying you first.

- **Watchout for the antichrist husband and his means of attack**
  - In dating, antichrist boyfriends can lure you into immoral acts, sexual immorality and immodesty.
  - In marriage, antichrist husbands can provoke you into harboring anger and unforgiveness.
  - In marriage, antichrist husbands will definitely be unfaithful and they will commit adultery.
  - In marriage, antichrist husbands can be wife beaters.

- In marriage, antichrist husbands can attempt to prevent you from practising the Christian faith.
- In marriage, antichrist husbands can lure you into practising immoral sexual acts on the marriage bed.
- In marriage, antichrist husbands can make you miss your calling to be a preacher of Christ.
- In marriage, antichrist husbands can "MARRY YOU AND DUMP YOU LATER". They can marry you only for them to flee from you and abandon you and the children after a few years so that you can become a single mom, cry and lose your faith.
- In marriage, antichrist husbands can shout you down, say bad things to you, never encourage you and never care for you so that you can become teary and lose your faith.

- **Response to domestic violence in marriage**

There have been incidents of Christian women losing their faiths because they got bruised, battered and bullied by their antichrist husbands.

If you are being bullied and battered by your husband or he shouts you down and makes you feel sad, then we urge you to separate and take a break from him for a while.

Can you divorce your violent husband on the grounds of violence alone? Christ permitted us to divorce only in cases where our partners commit adultery. However, we strongly believe that Christ loves you and He will not want you to keep receiving black eyes from your violent husband.

However, assuming that I am a woman and my husband beats and batters me; I will separate from him on the grounds of health and safety but I will remain single and celibate.

Once your husband starts to beat and batter you, then you should suspect that you could be married to an antichrist/false Christian man from the progeny of lucifer. In such a situation, your primary concern should not be about the bruise, black eye, pain and lack of love towards you. Instead, your primary concern should be not losing your faith.

- **Do not fear the bruises that your violent husband gives you but fear hellfire**

Christ has told us in Matthew 10:28 *“And fear not them which kill the body, but are not able to kill the soul: but rather fear him which is able to destroy both soul and body in hell”*. In whatever situation you find yourself in, don't lose your faith in Christ, don't get teary, be strong and don't harbor vengeance and unforgiveness towards your violent husband.

The greatest wish of the antichrist husband that beats his wife is not to for his wife to suffer pain from the bruises. Instead, his greatest wish is that his wife loses her faith and falls into hellfire; therefore do not lose your faith.

- **Run from satan and the evil world, remain single and be safe**

Singleness and devoting yourself to Christ alone is the best way to prevent satan from coming into your life as a husband. Please do not consider our advice to give up marriage as extreme because marriage is not a joking

matter at all. If you truly want to be safe, then you should consider singleness, celibacy, a life of self denial and preaching. If Paul and the disciples can do it under difficult conditions why can't you do it under less difficult conditions?

However, if you choose to marry, then take our advice on how to vigorously test to discover if your potential husband is a true Christian or not. With our advice, at least you have a higher chance of discouraging attacks on you.

- **Why are we so concerned about the welfare of the Christian woman?**

Why are we concerned about the welfare of the Christian woman? We are concerned, because we Christian men consider the Christian woman as our baby sister and we know that the progeny of lucifer will consider the Christian woman as “delicious fresh fish” (soft target).

We know that even the average Christian male is like a sheep in the midst of roaring lions (progeny of lucifer). So if the Christian male with all his physical strength is a sheep, then it means that the Christian woman is a baby sheep (lamb) in the midst of roaring lions (progeny of lucifer).

The Christian woman is an easy target for all sorts of attacks and we strongly believe that it is easier for the progeny of lucifer to lead a woman to hell.

- **Is it more difficult for a woman to make heaven than a man?**

According to those that have had revelations of heaven and hell, women are few in heaven. Assuming this is true, then why is this so? We believe that it could be due to the fact that women are not as strong as men.

Women can be likened to a piece of fresh bread that is straight from the oven and which can easily be torn apart. Women can also be likened to soft butter that can easily be cut with a hot knife. The woman is too soft for this evil world and if the male children of satan in the world don't lead the woman away from heaven, satan himself as well as the sirens will attempt to lead her away from heaven. The Christian woman has to be tough as a man in this evil world; anything short of this, she is dead meat.

## LETTER TO CHRISTIAN YOUTHS AND CHILDREN

The Christian youths, young children and teenagers should realize that they have a purpose on earth and they should quickly come to Christ. The youths, under the guidance of their parents should reject the immoralities and sin in the world. Some these immoralities and sin include rebellion against their parents, lust, immodesty, sexual immorality, pornography, secular music, hip hop culture, pop culture, rock culture, profanity, drug use, evil cartoons/films, evil toys, evil dolls and evil video games.

The youths should not be addicted to tech gadgets, mobile phones, technology and the internet; instead, they should spend more time studying the bible.

As we have stated earlier in **"PEER INFLUENCE"**, the youths should not give in to peer influence and they should not allow their friends, brothers or

sisters to lead them to sin. Don't copy your friends, instead be a "TEAM OF YOU". Don't try to please your friends instead try to please Christ who died for you. Don't necessarily be the type that attaches to a bunch of friends in order to gain respect; instead be a "ONE MAN ARMY" of Christ.

- **The youths should not engage in secular music and so called hiphop, pop and rock cultures**

Secular music and so called hiphop, pop and rock cultures are dangerous because satan uses them to lead people to hell. There are demons working to lead you to hell and they influence believers through secular music.

Secular music and so called hiphop, pop and rock cultures promote a variety of sins like sexual immorality, violence, pride and profanity and therefore you should not engage in them.

However, the demons of satan that are in charge of secular music, hiphop, pop and rock industries, have standardized secular music, hiphop, pop and rock cultures in the society. And the norm in the society nowadays is that everyone is expected to dance to the latest secular music, hiphop, pop and rock music.

But it is claimed by some that this same satan that encourages you to dance to secular music has created a special place of torment in hell for those that listen to his music. This proves that satan is a fraudster; he is the one that will tell you that secular music, hiphop, pop and rock music is "cool" and he is also the one that will torment you in hell for listening to it.

Therefore we advise you to reject secular music, hip-hop, pop and rock cultures. Listen only to Christian music; any song that does not give glory to God could be from Satan.

- **The youths should not be addicted to sports**

As youths, you may be interested in sports. However you need to realize that some sports were created by Satan. For example, some preachers have warned that football (soccer) is actually a satanic sport. To prove this, how come some of these football teams have demons as their mascots, how come they have demonic logos and how come some football teams are nicknamed demonic names like red devils and the rest?

How come some sport teams have Satan holding a pitchfork in their flags? How come they have images of demonic creatures that resemble animals on their flags? In addition, how come the opening ceremonies of the Olympics, world cup and the rest usually resemble some sort of satanic worship?

The point we are trying to make here is that since you are not a hundred percent certain about the origin of football and the rest of the sports, it is better to play safe by not over committing to these sports.

This implies that you should not be passionate about or addicted to these sport teams. You should not buy a sport jersey and brand yourself with it; instead brand yourself with the white garment of Christ. Neither should be the type that engages in debates and arguments involving football or sport teams. Instead be the type that debates about the Bible. Also, do not engage in sports betting and gambling.

Before I received my calling, I used to watch football, champions league, premier league, world cup and the rest. I was also into watching boxing and mixed martial arts. But I no longer watch these sports because I suspect that satan is involved in these sports. So instead of watching these sports for recreation; I got myself a pet rabbit, a lamb and a goat. I play with these lovely creatures for recreation and you should do the same.

These sports are from satan.

- **The youths should not be addicted to video games**

Video games promote a variety of sins like sexual immorality, violence and profanity and therefore you should not engage in it.

Demons come into you when you play video games. For example once you press that **R1** button on the PlayStation gamepad to shoot, demons enter you and make you unfit for heaven.

It doesn't matter whether you play a non violent video game where you don't kill in the game; you are still committing the same sin of possessing a property of satan (video game console, computer games and mobile phone games).

Instead of playing video games, we advise you to play bible quizzes with your Christian friends. Or you may decide to go fishing, it is fun to fish.

- **There are children and teenagers in hell**

The youths, young children and teenagers should not believe that since they are still young, they need not repent yet and neither should they believe that they still have years to repent, because they can die at anytime.

The youths should realize that they are not guaranteed old age like their parents and they can die anytime. For example, you can be coming home from high school and a reckless driver can kill you. Once you die you will either be welcomed by the angels of God or the demons of satan. There are children in hell at this moment who are regretting that they didn't get the chance to discover Christ. In hell, there is no special treatment given to the young, youths or to teenagers. In hell, all the people including the young, the youths and the old are all naked and burning.

## LETTER TO CHRISTIANS IN EUROPE, THE UNITED STATES AND THE WEST

The Europeans and westerners used to be the custodians of the Christian faith and the Europeans played a major part in spreading Christianity throughout the world.

However, it appears that the rich European economy and "tech" gadgets have filled the westerners with humanism rather than submission to God. You have allowed your access to a rich economy to turn you into hypergentle liberals that tolerates all sorts of immoralities. You have allowed your access to a rich economy turn you into hypergentle liberals that are more proud of treating people "right" than of bursting out to preach the gospel of repentance, judgment and hellfire so that souls may be saved.

Where are the conservative churches that preach modesty and outward holiness in the west? They are nonexistent and Africa as well as South America have more of these holiness churches than Europe and the United States.

Hypergrace preachers thrive more in the west due to the fact that you already have a developed economy. In a typical “holiness” church in Africa or South America, the message being preached there is “REPENT, FLEE SIN AND DON’T GO TO HELL”. However in a typical church in Europe or the United States, the message being preached is “CHRIST LOVES YOU, CHRIST LOVES YOU, CHRIST LOVES YOU AND CHRIST LOVES YOU”. Rarely will they warn you about the consequences of sin and neither will they guide the congregation towards an un sinful path.

Such hypergrace preachers in the west, preach in a hypergentle tone that is so gentle that it can be likened to a romantic tone; they do this in order to underemphasize the consequences of sin which is hellfire.

Immodesty is an underemphasized topic in western churches and rarely will you find churches that preach modesty in Europe or the west. But why will churches in Europe, United States and the west have time to preach modesty and outward holiness, since they are still busy welcoming back pierced, tattooed but repentant homosexuals back into the church?

We hereby instruct Christians in the west, Europe and the United States to quit that hypergentle, hypergrace and hyper romantic form of Christianity which they practise. We hereby instruct the people in the west, Europe and the United States to remove all their idols such as tattoos, piercings,

earrings, vulgar language, sexual immorality, pornography, pop culture, hip hop culture, rock culture, humanism, homosexuality and immodesty.

After which they should repent, flee from sin and start practising absolute modesty and outward holiness. By so doing, the Europeans, Americans and westerners will be taken off that rich, sweet, exciting and fun filled rollercoaster that leads to hell.

The Christians in the west, Europe and the United States should realize that the kingdom of God runs on His rules and not on American logic or American sarcasm or European liberalism.

Therefore, the churches in the west shall encourage sinners to immediately quit sin, you shall warn sinners of hell fire and you shall preach to the congregation in manner that will make them to flee from sin.

We hereby warn the Europeans, Americans and westerners that the kingdom of God runs on His rules similar to how a military base runs on rules. Yes the kingdom of God has mansions for you, but it still has rules and the main rule in the kingdom of God is holiness. Therefore you shall not do as you like and you shall be holy.

Do not even attempt to apply that “American logic”, American sarcasm or European liberalism on the things that belong to God.

Although your access to a rich economy fills you up with humanism and makes you feel on top of the world, you are a dependent creature that is dependent on God and on the Holy Spirit that lives in you. Without God and the Holy Spirit that lives in you, you would have been taken to hell a long time ago.

Therefore, in this time of grace where you still have time to repent, we urge you to humble yourselves, reject humanism, atheism, immorality, pornography, sexual immorality, immodesty and sin; after which, you should submit to God.

In hell, there is no rich or poor and neither is there special treatment given to those from Texas, London, Paris or Berlin; there is no opportunity for racism in hell. All races, tribes, and people are naked in the fires of hell.

### LETTER TO CHRISTIANS IN “DEVELOPING COUNTRIES”

So what are the characteristics of a so called developing country? The economy and infrastructure are not as advanced as the “developed countries”, aren’t they?

- **Why are developing countries poor?**

First of all, we need to define what “poor” means. God did not create humans to be poor and He has provided the land and agriculture for His children so that they can sow, reap and form a commune. The terms “poor” and “poverty” only come in when children of God leave the land and the agriculture which God has given to them; afterwhich they go seeking opportunities and jobs in satan’s capitalist and corporate world.

You need to realize that the currency you spend, the banks, central banks, the corporate world, the economy, the stock exchange, the sky scrapers and the rest are not from God but from satan. Some countries even place satanic symbols on their currencies to show allegiance to satan.

However, God has given you the resources you need to survive in the world. He has given you dominion over the fruits, resources and animals of the world. God has given you the opportunity of becoming rich like Abraham. Abraham was rich in cattle and he had thousands of cows; so why can't you be rich like Abraham?

But if you due to your covetousness, you decide to leave what God has given you and you choose to chase after a white collar job in a company in the corporate world; then you should realize that satan is the owner of the corporate world and he decides those he wants to make rich and those he wants to make poor in the corporate world.

Therefore the question that should be asked is not **“WHY ARE DEVELOPING COUNTRIES POOR”** but **WHY ARE DEVELOPING COUNTRIES POOR IN SATAN'S CORPORATE WORLD?**

Developing countries are poor in satan's corporate world because satan wants it that way; it's as simple as that. Although some citizens of developing countries believe that their countries are poor due to corrupt and bad leaders that embezzle money, that is not the case. Some citizens of developing countries also believe that the west, Europe and America are rich because they practise good governance but this is not the case.

The west is rich and the developing countries are poor in satan's corporate world because satan wants it that way. The gadgets, satellites, weapons, F16 fighter jets and the technology used by Europe, the United States and the west to rule the world has been given to them by satan. Or do you believe that Albert Einstein and Robert Oppenheimer came up with all of

those formulae and inventions by themselves? Ofcourse not, they probably had hundreds of demons as well as the marine kingdom working with them.

Therefore as a Christian in a so called developing country, you should not necessarily covet the technology, gadgets and development in these western countries because they are from satan. And neither should you become worldly by wishing to migrate to these so called developed countries, instead be satisfied with the land that God has given you. God placed you in your region for a purpose.

- **The worship of money, covetousness and the prosperity gospel in developing countries**

The prosperity message and the worship of money are more abundant in developing countries. Do not allow a pastor to tell you how God can make you rich and neither should you believe that the source of the wealth of these millionaire pastors is from God. The vast majority of these millionaire pastors in the developing world are members of the occult.

Matthew 6:25 states *“Therefore I say unto you, Take no thought for your life, what ye shall eat, or what ye shall drink; nor yet for your body, what ye shall put on. Is not the life more than meat, and the body than rainment?”*

Here Christ is telling us not to prioritize seeking the things of this world and this means you should not worry about worldly desires like having money, having houses, having cars and the rest. We should pray to God to give us not wealth but our daily bread whilst we seek salvation. *“But seek ye first the kingdom of God and His righteousness”* (Matthew 6:33).

As we have stated, developing countries are not poor, you only believe that developing countries are poor because you choose to go into satan's corporate world where you work in an office and receive a salary. But if you consider the beauty of God's creation like the animals, plants and the abundant fruits; you will discover that you were never poor.

God has given you what you need to survive and even Abraham became wealthy through an agrarian lifestyle. The Christians in the rich western countries are now rejecting satan's corporate world; instead they are now relocating to homesteads in the countryside where they can appreciate the beauty of God's creations.

Ideally we want Christians to live in farms, homesteads and ranches. But if you choose to leave what God has given you and you pursue a career in satan's corporate world, then satan will come to tempt you. It's not unusual for people in developing countries to sell their souls and join diabolical cults in order to get jobs, favours, appointments and promotions.

Do not worship money, covet your neighbor's property or join death cults for money. Instead strive for your daily bread and if you want to be rich; it is yet possible because you can till the ground and be rich like Abraham.

## CLOSING LETTER

Our beloved Christian brothers and sisters, how have you found our

message (Progeny of Lucifer)? How does our message compare to the rest? Do you realize that we could have saved ourselves the time and trouble of painstakingly informing you? Instead, we could have only preached to you about how you should give your life to Christ and about how Christ loves you similar to how the other churches do. But we are not like the other churches; we are an “ANTI-FRAUD” CHURCH and we will expose the scams, tricks and frauds of satan.

As you have observed, a lot of paper work has been covered in this message and it is the difficulty involved in covering such a huge paperwork that hindered the publication of such a comprehensive message to you prior to this time. It takes a lot of work to amalgamate all the important information Christians need in order to protect themselves from the traps that have been set by the progeny of lucifer. And we are delighted that we have been able to achieve the feat of giving you a comprehensive message.

In this message, we have informed you about the presence of the children of satan in the world. We have informed that there are humans in the world that actively work for satan and we have informed you that these evil children of satan have infiltrated the Christian church and the Christian marriage. We have informed you about the evil activities of the children of satan and how they can attack you. We have informed you about the five “means of attack” which are false preaching, family influence, peer influence, marriage and physical harassment.

In this message, it is clearly obvious that we have emphasized the need for you to be very careful in dating and in marriage because with marriage you

are sleeping on the same bed with the progeny of lucifer.

Our message to you is not totally about watching out for the tricks, scams and frauds of satan. We have also informed you in a loving manner, about Christ's love and sacrifice for you. We have taught you about Christ, we have taught you His parables, His miracles and His firm warning which is *“And if your right hand causes you to sin, cut it off and throw it away. For it is better that you lose one of the parts of your body than for your whole body to go to hell”.*

We have introduced the topic of modesty to you. We have preached about repentance, modesty, sin, judgment and hellfire. We have even gone as far as providing you with a list of sins that Christians should not copy from the world. We have given you advice on how to live the Christian life and how to raise Christian children.

We have exposed the false preachers as well as their modus operandi. We have provided you with a step by step guide and we have spelt out the saving message out clearly for you in a manner that no one else has done.

We have painstakingly separated the truth from the lies. We have dismantled the church, removed the falsehood in it and we have assembled it back up again.

We have painstakingly dug up each land mine that was planted in the church field, we have refreshed the contaminated waters in the church

fountain and we have outflanked the progeny of lucifer.

We have tried our best to advise you so that you can be saved and at this point, we have no more to say other than for us to hope that you believe all that we have preached.

In this message, the Accusers of Lucifer Christian Ministry under the leadership of Malakhi Banjo has painstakingly separated the truth from the lies so that you will not be deceived and so that you can receive the salvation that is awaiting you at the end of your race in this world.

The “Progeny of Lucifer” is by far the most comprehensive message that sweeps all corners clean. We now pray that Christ finds you and calls you through this sincere message of ours. God bless you.

### **“STAND YOUR GROUND FOR YOUR MESSIAH, O YE CHILDREN OF CHRIST”**

- Stand your ground to fight for Christ and never stop believing in the salvation that Christ has promised you, even if you are been persecuted for blessed are they which are persecuted for righteousness sake.
- Stand your ground to fight for Christ and never stop believing in the salvation that Christ has promised you, even if disappointments come your way for the time on earth is short.

- Stand your ground to fight for Christ and never stop believing in the salvation that Christ has promised you, even if it appears that no one likes you for blessed are ye when men revile you for Christ's sake.
- Stand your ground to fight for Christ and never stop believing in the salvation that Christ has promised you, even if satan comes to tempt you for Christ has taught us how to reject the temptations of satan.
- Stand your ground to fight for Christ and never stop believing in the salvation that Christ has promised you, even if you are in poverty for Christ has told us not to worry about the things of this world.
- Stand your ground to fight for Christ and never stop believing in the salvation that Christ has promised you, even in if you are in terminal illness; for even Lazarus the leper was terminally ill, but he was carried by the angels of God into Abraham's bosom.
- Stand your ground to fight for Christ and never stop believing in the salvation that Christ has promised you, even if you are being threatened with violent death.

**Sincerely**  
**Your brother in Christ**
